ANNUAL REPORT OF THE BOARD OF FIRE ENGINEERS

To the Honorable Board of Selectmen :

Franklin, Mass.

Gentlemen :

The Fire Department responded to 92 Alarms during the year 1935, as follows: 36 Box Calls, 53 Still Alarms, 1 Mutual aid call to Norfolk, and 2 false alarms. The Alarm system needs repairing very badly in certain sections of the Town, also, the whistle machine should be overhauled or replaced.

It will be necessary for us to purchase 1000 feet of hose this year.

We recommend the appropriation of \$10,000.00 for the year 1936.

Respectfully submitted,

LESLIE H. WIGGIN,
GEORGE F. RIBERO,
CONNOR J. POND,

Board of Engineers.

ANNUAL REPORT OF THE INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen:

Gentlemen:

On Dec. 31st I completed the inspection of barns for 1935. I find 581 cows, 191 young stock and other cattle, 262 swine, 10 goats, 4 sheep.

Twenty-six dogs were quarantined and released.

There were 989 cattle shipped in from outside the State for dairy purposes.

Respectfully submitted,

A. D. HANCOCK.

Inspector of Animals.

ANNUAL REPORT OF THE TREE WARDEN

To the Honorable Board of Selectmen:

Gentlemen:

Following is the annual report of the Tree Department for the year 1935: Appropriation \$600. Unexpended \$20.32. We have removed 37 dead and dangerous trees, also we have trimmed all the elms on the Common and Main street. We also have trimmed about 150 elms

around the town. We also have trimmed the trees on Union street, School street, Dean avenue, Emmons street and Cottage street. Also taken trees out on Chestnut street for new road.

Respectfully submitted,

JOHN W. STOBART,

Tree Warden.

ANNUAL REPORT OF THE GYPSY MOTH DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

Following is the annual report of the Gypsy Moth Department: Appropriation \$1,000, unexpended \$19.21. Balance \$19.21.

We have had very good success with the Gypsy Moth work this year, having cleared about 400 acres of land of underbrush with the help of the E.R.A. There have been about 3,000 trees sprayed. Besides the roadside work, the whole of the town was creosoted, using four barrels of creosote and one ton of arsenate of lead. Out of the appropriation we had to buy axes and shears and miscellaneous tools for Gypsy Moth work on E.R.A. projects.

Respectfully submitted,

JOHN W. STOBART,

Local Supt.

ANNUAL REPORT OF THE BOARD OF PUBLIC WELFARE

To the Honorable Board of Selectmen:

We herewith submit our report of the Board of Public Welfare for the year ending Dec. 31, 1935.

We have delivered during the year 461½ cords of wood, which we value at \$4150.00.

At present we have 114 cases on our books, representing 288 persons.

Special services

1. 50 books in French and Italian loaned for three months from Department of Education, State House, Boston.
2. 40 or 50 books at a time, fiction, biography, travel, and radio, loaned to local C.C.C. Camp.

In the matter of town appropriation for public library support, the average for the towns in the state is at the rate of one dollar per person. Franklin, thanks to the generosity of public-spirited citizens, has been called upon to pay only twenty-five cents per person. Of the appropriation, all but about one hundred dollars goes for salaries, repairs, magazines, etc. This leaves not much for new books. Therefore, in order that the Franklin Library Association may bring the status of the library a little nearer the average of the state and so give better service to the town, the Association respectfully petitions the town of Franklin for the sum of \$1800.00 to assist in defraying the expenses of the Library for the ensuing year.

ALICE WIGGIN,
Clerk.

Respectfully submitted,

CHARLES H. ROBINSON,
Superintendent of Highways.

**ANNUAL REPORT OF THE TOWN TREASURER
AS OF DECEMBER 31, 1935.**

Fred E. Mason, Treasurer.

The change in the Taxation Laws effective during the year 1935 whereby one-half of the Personal and Real Taxes became due and payable on July 1st, and the balance on October 1st, has been very beneficial to the Town of Franklin. It not only kept a constant flow of money into the Treasury during the summer months, but also reduced the total amount of tax anticipation borrowings for the year to \$175,000.00

Tax collections have greatly improved during the past year, as evidenced by the fact the outstanding taxes at the end of the year were nearly \$10,000.00 less than the previous year, although the total levy was more than \$30,000.00 in excess of 1934.

The approximate amount of working cash on hand at the close of the fiscal year was \$48,000.00, as compared with about \$8,000.00 a year ago.

Interest rates in anticipation of taxes were extremely low during the entire year, being the lowest in the history of the Town.

My annual report follows.

FRED E. MASON,
Treasurer.

**TWENTY-NINTH ANNUAL REPORT
OF THE BOARD OF
WATER AND SEWER COMMISSIONERS**

To the Honorable Board of Selectmen:

Distributing System

On Pleasant Street the department laid approximately 300' of 8" cast iron pipe, completing the main between Main Street and Hillside Road which was laid late in 1934. No cement lined pipe was replaced with cast iron pipe on any other streets. On Queen, West, Arlington streets and a portion of Peck Street, there are approximately 3400' of cement lined pipe to be replaced with cast iron pipe. We purchased 3000' of 6" pipe in November, making only 400' more that the department will be obliged to buy to complete the renewing of the entire system. We expect to change all the remaining cement lined pipe to cast iron pipe during the coming year, thus making an entire cast iron system.

Only one break occurred in the cement lined main piping during the year.

Hydrants

All hydrants were tested in October. Several were repaired and all were left in good condition for the winter. Due to the great spacing of the hydrants on Pleasant Street, an extra hydrant was installed between Main Street and Hillside Road. There are now 198 public hydrants in town.

Water Services

Only two new water services were installed, one being a 2" service for the Civilian Conservation Camp. All the service connections on Pleasant Street, between

Main Street and Hillside Road, were changed over from the cement lined pipe to the new 8" cast iron pipe. Several of these services were renewed from the main pipe to the cellar wall.

Approximately the same number of meters were removed and repaired as in previous years, this work being done at the pumping station by our regular men.

Pumping Station

On account of the demand for water increasing each year for both the manufacturing and domestic purposes, the board decided that some change would be necessary to meet this demand. The conditions at the pumping station, including wells, piping, etc., were all taken into consideration before any changes were made. It was finally decided to ask for a special appropriation of \$12,300 to install a small pump at the pumping station and take water from Beaver Pond for manufacturing purposes. By doing this nearly 100% of this water would eventually find its way back into Mine Brook, decreasing the amount of flow but very little.

Several changes were made in the suction pipes near the pumping station and approximately 2000' of 12" pipe were cleaned by the National Water Main Cleaning Company. In doing this it brought the piping back to its original size and in turn eliminated all unnecessary friction loss.

While making these changes it was absolutely necessary to take about 30% of the water supply from Beaver Pond. In order to do this the State Department of Public Health required that we chlorinate the water for the protection of public health. This was done entirely under the supervision of State Inspectors. Although we were criticised by some who did not realize the conditions, we considered it was far better to take a portion of the supply from the pond for a few weeks than to be forced to use part of the water from the pond permanently.

Domestic Supply

There were 244,557,000 gallons of water pumped into the domestic or high pressure system during the year, this amount being 15,270,196 gallons more than in 1934. The largest days pumping was on August 15th when 1,100,000 gallons were pumped.

Mill Supply

The mill pump was started in August and up to December 31, 1935, 10,114,000 gallons were pumped through this system.

Wells

Approximately two acres of land near the wells were filled in and graded with gravel. This was done as an E.R.A. project to keep the polluted water of Mine Brook away from the wells as much as possible. Several of the wells were cleaned at intervals during the year.

On account of the rainfall being considerably below normal and the elevation of the ground water lowering, we must say that in order to face an extreme drought, more water should be available.

Stand Pipes

No work of any importance was done at the stand pipes other than the regular cleaning of the grounds: the same as in the past.

Water Analysis

Parts in 1,000,000	Feb.	June
Residue on Evaporation	49.0	50.0
Free Ammonia	.004	.004
Albumenoids	.004	.006
Chlorine	4.8	4.0
Nit. as Nitrates	.060	.070
Nit. as Nitrites	.000	.000
Hardness	23.	22.
Iron	.12	.25
Color	.000	.000

Rainfall for 1935

Jan. 5.82; Feb. 2.90; March 1.65; April 3.96; May 3.17;
June 4.73; July 3.01; August 1.82; Sept. 3.90; Oct. .63;
Nov. 3.86; Dec. .84.

Average rainfall from the year 1923 to 1933	40.38 in.
Rainfall for 1935	36.29 in.
Amount of rainfall less than normal	4.09 in.

The normal rainfall shown by the records for the past 50 years was 46.74 inches, this amount being 10.45 inches greater than in the year 1935 or nearly 25%.

We recommend the sum of \$8000.00 (eight thousand dollars) for the maintenance and operation of the Water Department, including the compensation of the Water Commissioners, and in addition thereto, the unexpended balance in the treasury of the department, together with the receipts of the department.

Sewers

The main sewers were flushed as in previous years. There were several places that were partly filled with sludge. These were scraped and washed and no serious trouble was encountered in the entire system.

Five new connections were installed, making a total of 860 connections to the main sewer at the end of the year.

Sewer Beds

The beds in both the Mine Brook and the Timnah Brook systems were cared for the same as in previous years. All the beds were harrowed several times during the year. We found that by changing the flow of sewage more frequently from bed to bed, the efficiency and filtering capacity were increased.

We recommend the appropriation of FIVE THOUSAND dollars (\$5000.00) for the maintenance and operation of the sewers and sewer beds.

Respectfully submitted,

Board of Water and Sewer Commissioners

FRED P. CHAPMAN, Chairman

JACOB F. GEB

LEWIS J. CATALDO

January 13, 1936.

ANNUAL REPORT OF THE FOREST FIRE WARDEN

To the Honorable Board of Selectmen:

The Forest Fire Department responded to sixty-three calls and two for out of Town. A number of lengths of one inch hose were destroyed this season. There should be purchased at least 500 feet of new hose. We recommend \$200 for hose and \$1,000.00 for maintenance of the department, to include warden's salary.

Respectfully submitted,

GEORGE F. RIBERO,

Forest Fire Warden.

Patrolman — Sergeant

ANNUAL REPORT OF THE BOARD OF HEALTH

To the Citizens of the Town of Franklin:

During the year ending December 31st, 1935, there has been reported to the Board of Health 131 cases of reportable diseases as follows:

Anterior Poliomyelitis	4
Chicken-Pox	9
Epidemic Cerebro-	
Spinal Meningitis	2
German Measles	12
Lobar Pneumonia	1
Measles	13
Mumps	1
Scarlet Fever	49
Pulmonary Tuberculosis	3
Gonorrhea	4
Syphilis	4

There were 29 cases of dog bite reported.

In the past year there has been a very mild form of Scarlet Fever, so mild that it has escaped the attention of the parents. Because of this condition we have had more than the average number of cases. In some instances we believe that parents have hidden up mild cases. These cases not being subjected to quarantine became a source of further contagion. It might be well to call the public's attention to the fact that failure on the part of any person to report a contagious disease renders them liable to a fine.

In the past Immunization against Diphtheria has been carried out by the State Board of Health. The State Board now feels that this duty should be assumed by the Local Board and for that reason your board is asking for \$100.00 to carry on this work.

The Tuberculosis cases now under the care of this board will require \$1200.00 this coming year, which is quite an increase over the years 1934 and 1935.

It was with great regret that the Board accepted the resignation of Russ W. Harding. Mr. Harding served this Board efficiently and loyally for a period of twenty years, and by the State Health Authorities he was recognized as an outstanding man in this field of work.

JOHN M. CROWLEY, Chairman
 GEORGE I. PECK
 CHARLES B. HUSSEY

BOARD OF HEALTH BUDGET FOR 1936

Estimate for Salaries	\$1000.00
Estimate for Aid	1200.00
Estimate for Medical Aid	100.00
Estimate Immunization against Diphtheria	100.00
Estimate for Office Expenses	25.00
Estimate for Transportation	35.00
Estimate for Vital Statistics	40.00
	<hr/>
	\$2500.00

REPORT OF THE AGENT OF THE BOARD OF
HEALTH, INSPECTOR OF SLAUGHTERING,
DAIRY AND MILK INSPECTOR

For the year ending December 31st, 1935.

To the Board of Health:

I hereby submit my report of the above mentioned offices.

Quarantined 49 cases of Scarlet Fever.
Placarded 25 cases of Measles.
Fumigated 54 rooms for all causes.

As inspector of Slaughtering, inspected and stamped 7 hogs and 1 cow.

On Sanitary Inspections, the following nuisances and violations of health regulations were ordered abated:

Sources of filth in dwellings	1
Sources of filth in stores	3
Sources of filth in yards	4
Privy vaults condemned	1
Cesspools ordered repaired off	
sewer line	1
Repairs ordered to plumbing systems	1
Violation of food regulations	
ordered abated	12
Ordered the burial of 2 dead animals	
Inspection of 31 milk producers' premises.	

Issued the following licenses and permits, collected fees and other funds due the department and remitted the same to the Town Treasurer:

1 Milk Producers' Permit (no charge)	
1 Pasturization License	\$10.00
50 Milk Licenses @ .50¢	25.00
13 Oleomargarine Permits @ .50¢	6.50
6 Manicuring Licenses @ .50¢	3.00
4 Alcohol Licenses @ \$1.00	4.00
4 Garbage Collectors Permits	
	@ \$1.00 4.00
2 Undertakers Licenses @ \$1.00	2.00
3 Ice Cream Licenses @ \$1.00	3.00
Rec'd from State Subsidy "TB"	265.71

Total received	<u>\$323.21</u>
----------------	-----------------

Respectfully submitted,

RUSS W. HARDING,
JOHN M. RILEY,

Agent and Inspector.

ANNUAL REPORT OF AUDITOR

January 1, 1936.

To the Honorable Board of Selectmen:

As Auditor of the Town of Franklin I have checked the figures covering receipts and expenditures for the year ending December 31, 1935.

The cash has been verified and the figures herewith submitted are correct.

HENRY V. GREGORY,
Town Auditor.

I have completed the year as Auditor of the town of Franklin and performed the duties as required by the law of the Commonwealth of Massachusetts.

In justice to myself, and in order to enlighten those citizens who believe the sole duty of the Auditor is to render an itemized statement for the Annual Town Report, I am including in my report the State Law concerning the duties of a Town Auditor.

Extracts from the General Laws of the Commonwealth of Massachusetts.

Chapter 41, Section 50. The auditors of a town shall examine the books and accounts of all its officers and committees intrusted with the receipt, custody or expenditure of money, and all original bills and vouchers on which money has been or may be paid from its treasury. They shall have free access to such books, accounts,

bills and vouchers as often as once a month for the purpose of examination, and shall examine the same at least once in each year, and annually report in writing the result of their examinations. They shall, at least once in each year, verify the cash balance of each of such officers and committees by actual count of the cash and by reconciliation of bank balances, and shall insert in their annual report their certificate under oath of the facts so found.

Section 51. An auditor may notify a person to whom money is due from the town that certain designated amount, which may be either the whole or a part of the money so due, is payable to him upon application to an officer named in the notice, and, unless payment is refused upon such application, no interest shall accrue on said designated amount after the giving of the notice. A part payment authorized by this section shall not affect a right of tender, lien or other provision of law for the recovery of the amount of the debt, or interest or costs thereon, remaining due; but if the part payment is more than the debt as finally determined, the excess, without interest shall be repaid to the town.

Section 53. Town auditors shall at least once every year, and so much oftener as they deem necessary, audit the accounts of the trustees of any property the principal or income of which, in whole or in part, was bequeathed or given in trust for public uses for the benefit of the town or any part thereof, or for the benefit of the inhabitants of the town or of any part thereof, and examine and estimate the funds, securities and evidences of property held by such trustees. Said trustees shall give said auditors free access to their accounts, funds, securities and evidences of property; and any such trustee refusing to exhibit the same shall be punished by a fine of not less than fifty nor more than two hundred dollars. Town auditors shall include in their annual reports a report of such auditing and investigation; and if they discover any fraud or irregularity they shall immediately report the same to the mayor and city treasurer. They shall, at least once in each year, verify the cash balance of such trustees by actual count of the cash and by

reconciliation of bank balances, and shall insert in their annual report their certificate under oath of the facts so found.

Section 54. Whenever any officer of the Commonwealth or of a county, city or town makes a payment of public money to the treasurer of a city or town in the Commonwealth he shall furnish at the same time to the auditor of such city or town, or to the town accountant, if there is no auditor, a written statement of the amount of the payment, and the date and purpose thereof.

I believe, although it is not required by the law, that since the people of Franklin supported me at election I am morally obliged to make any suggestions which I feel will be beneficial to them.

I have therefore submitted the following article to be included in this year's Town Warrant:—

To see what action the Town will take in regard to the appointment of a committee to investigate the feasibility of remodeling the Town Hall for Town Offices and Police Headquarters, said committee to report at the next town meeting.

I have based my suggestion of this article on the following figures,—

Rent paid for Town Offices	
to the Franklin National Bank	\$815.81
Rent paid for Police Headquarters	
to Walter E. Mitchell	480.00
Expense of operating the Town Hall	433.58
Janitor Service for Selectmen's Rooms.	156.00
Cost of hiring a woman to clean walls	
of Selectmen's Rooms	32.75
Total	<hr/> \$1918.14

GEORGE F. S. SINGLETON

Born
Oct. 28, 1853

Died
Nov. 19, 1935

Served his town as Selectman.

REPORT OF THE EMERGENCY RELIEF ADMINISTRATION

To the Honorable Board of Selectmen:

I hereby submit a report of the Emergency Relief Administration in the Town of Franklin for the year 1935.

During the year we worked on the following types of projects; Sewing; Remodelling Town Hall; Repairs to Infirmary; Repairs to Legion Hall; Cement Pipe; Snow Removal; Laying Water Mains, Beaver Pond to Hayword Co. line; Federal Housing; City Mills Cemetery; Beaver Street Sidewalk; 400 posts were cut; Clearing and filling with gravel around Town Wells to protect the source of the Town water supply.

Fourteen (14) water holes were built in various sections of the town. We had occasion to use the one on South Street and clearly demonstrated its value as without that there would have been no possible chance of saving the surrounding property.

Considerable work was done on the Playground which will, when finished, make a very valuable addition to the Town for playground activities.

Under the Gypsy Moth Control and Shade Tree Pest Control the town shade trees were protected and improved.

575 cords of wood were chopped and 461½ cords were delivered through the Welfare Department to the people who required it.

The Joseph G. Ray Swimming Pool not only filled a long felt requirement but was one of the most useful projects in existence at any time. A bath-house was erected having 20 lockers and a first aid room. There were days when 250 to 300 people indulged in swimming. Swimming Instructors were in charge and this was through the activities of the E.R.A.

The Athletic Field at the Theron Metcalf School was regraded and put into better condition.

Culverts were placed in various parts of the town.

Projects under construction at present are Reconstruction of Pond Street; Reconstruction Crocker Ave. and Hayes Street; Completing of Summer Street; Construction of Alpine Place Extension and Milliken Ave.; Improving drainage on various streets by reconditioning so as to get better control of surface water; Fences were erected on Grove Street; some country roads were reconstructed under the Farm to Market Roads Program.

The total amount spent by the town in various ways was \$19,462.44. The total contribution by the Federal Government was \$82,449.88 for pay rolls. So it can be plainly seen that without the Federal Pay Roll and commodities listed below, all through a Federal grant, the town would have had to assume at least 75% of the total Federal contribution, which would have meant a substantial increase in our yearly tax rate.

FEDERAL COMMODITY DISTRIBUTION

From January 2, 1935 to January 2, 1936.

Analysis of Case Load

Total number of distribution cases	483	
Total number of persons represented		1542

Total number of inactive cases at date	234

ANNUAL REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen for 1935 organized by electing Albert F. Granger as Chairman, Daniel A. Cody was given charge of Roads and John B. Cataldo placed in charge of the Police Department. Laura F. Belleville was appointed clerk to the Board.

In connection with the Police Department, rules and regulations were formulated and placed in the hands of the Chief of Police with orders to put same into effect at once.

Two positions of patrolmen were added to the department by qualifying men under the age of 35 years.

A position of Sergeant was created in order to divide the responsibility in the carrying out of orders.

A police call box was installed in the South End district at Nason's Crossing.

A dance was held at recommendation of the Board in order to establish a fund for the formation of a Police Association. Sufficient funds being acquired, the association was formed.

An inventory of all tools and equipment belonging to the Town was made.

The "Swimming Pool," an E. R. A. project was opened to the public. The bathers were fully protected by means of depth markers and life buoys. Many children were taught the art of swimming and diving.

We thank the Local Chapter of the American Red Cross for their assistance and contribution in qualifying an instructor for the "Pool."

During the past year the car barn property was sold to Mr. John Ketover for the sum of \$777.97.

Approximately 57 acres of land off Grove Street, taken over for a C. C. C. Camp, was sold for the sum of \$293.85.

Both sums of money were turned over to the Town Treasurer.

The cases of Landre and Svenson against the Town of Franklin, Mass., were settled on October 21, 1935. These cases involved the re-building and repair of the Horace Mann School.

This Board recommends an appropriation of \$500.00 for the year 1936 due to cases pending against the Town from previous years.

On November 15, 1935 the W. P. A. came under the control of the Board of Selectmen causing the elimination of the Administrator. As the Government pays for the labor on all W. P. A. projects, our Town in carrying on projects now which it would eventually have to do later, does so at a great saving.

In March 1935 the Commissary and Sewing Departments of the E. R. A. were transferred from the Metcalf Building on Main St., to the Town Hall, thus saving rentals. Portable partitions were used to divide the Town Hall into rooms. These may be readily removed when the Hall is needed for voting.

It seems advisable to make a study of Schedule Insurance and proper coverage of all Town Buildings, hence we have included in the Selectmen's appropriation a sum to be used for this purpose.

It is regretted that it was impossible to complete the work on Main St. In the Spring the short piece of sidewalk should be completed to Emmons St. and eventually the lighting on this side of street to be underground. Our appropriation from the State was received so late that weather conditons prevented our completing the work.

Approximately 4250 feet of road was built on Chestnut Street, starting at East Central Street and extending northeasterly. Adequate drainage was installed.

Work on Washington Street was completed during the past year.

During the past year all complaints of the State Alcohol Beverage Commission were given hearings and penalties given.

Snow fighting schedule was drawn up, whereby all streets would be properly plowed out and a sidewalk schedule to follow after the storm, so that pedestrians would be given a safe place to walk.

Drainage was improved on King Street and a stone surface installed on hill from So. Franklin school to foot of hill at Spring street, thereby eliminating the dangerous condition of the past years, which required the expense of continually sanding during the Winter months.

\$5,000.00 was appropriated for the purchase of a new truck for the Highway Department. The cost of the truck was \$4,797.00, leaving an unexpended balance of \$203.00.

Due to the large sum of money spent for snow previous to taking office for the year, we were hampered in carrying out more highway improvements in the outlying district for the lack of funds spent in snow removal.

Damage by fire at Legion Hall on March 31st 1935 was settled for the sum of \$97.50. This amount turned over to Town Treasurer. Repairs to building were made under E. R. A.

Respectfully submitted,

ALBERT F. GRANGER,
JOHN B. CATALDO,
DANIEL A. CODY.

ANNUAL REPORT OF FLETCHER FIELD COMMITTEE

To the Citizens of the Town of Franklin:

We find approximately 8 acres of Fletcher Field seeded and practically completed, 3 acres having been seeded this past Fall. Much of the remaining portion of the field has been rough graded and can be seeded the coming year. We not only continued the grading and seeding work, but much progress was made in the drainage problem. This was made possible through a Town Pipe Project, the cost of material being taken from the money appropriated by the Town to carry on E. R. A. work, the rent and part of the equipping of the place being taken from the Fletcher Fund. There has been 1254 ft. of 15 inch and 1250 ft. of 12 inch cement drain pipe laid, totalling nearly one-half mile in all. Six catch basins have also been constructed. Except for a portion at the outlet, all the main brooks through the center of the field and a greater part of their side drains have been taken care of, by the pipe now laid.

The mowing and care of the completed part of the field was taken from the Fletcher Fund, for which was paid \$252.79.

The total number of hours of man labor paid by the Government during the past year was 8,464; 958 hours

for supervision, 926 hours for teaming, 6580 hours for labor, or an average of about 5 men for a 24 hour week, a rather small crew to make much of a showing. The average weekly payroll for labor was \$63.27. The trench for the main drain was dug through 163 ft. of ledge, approximately 106 cu. yds of stone being removed. This was slow work, so was the filling of the main brook which took a great amount of material and made very little showing for the work done.

Respectfully submitted,

THEODORE R. ROTH,
DR. JOHN M. CROWLEY,
DR. CARL E. RICHARDSON,
HARRY J. GEB,
JACOB F. GEB.

WARRANT FOR THE ANNUAL TOWN MEETING

February 11, 1936

COMMONWEALTH OF MASSACHUSETTS

Norfolk ss.

To either of the Constables of the Town of Franklin, in the County of Norfolk.

Greetings:

You are hereby required in the name of the Commonwealth of Massachusetts to notify and warn the qualified voters of the said Town of Franklin, to assemble in their Town Hall, on Tuesday, the eleventh day of February A. D. 1936, it being the second Tuesday in said February, at six o'clock in the forenoon and remain in session until six o'clock in the afternoon, then and there to act on the following articles, viz:

Article 1. To choose by ballot the following Town officers, viz:—A Moderator, three Selectmen, a Town Clerk, a Town Treasurer, a Collector of Taxes, an Auditor, Three members of the Board of Public Welfare, a Tree Warden, three Constables, all for the term of one year; one Assessor of Taxes, one member of the Board of Health, one member of the School Committee, one member of the Water and Sewer Commissioners and two members of the Town Planning Board, all for the term of three years.

Also upon the same ballot to vote upon the question—"Shall the operation of Section 105-B of Chapter 131 of the General Laws, requiring for the taking of fur-bearing animals the use of traps that kill at once, or take such animals alive unharmed, be suspended within this Town".

Article 2. To choose all other necessary Town Officers.

Article 3. To hear a report of the Town Officers and Committees and act thereon.

Article 4. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year, beginning Jan. 1, 1936, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws.

Article 5. To see what sum of money the Town will raise and appropriate for the following purposes to wit:—

1. For general government, including the compensation and expense of the Selectmen, Auditor, Collector of Taxes, Treasurer, Assessors of Taxes, Town Clerk, also for Election and Registration, Town Hall and other finance accounts.
2. For Protection of Persons and Property, including the payment of Police and Suppression of Illegal Liquor Traffic, Support of Fire Department, Sealing of Weights and Measures, Extermination of Gypsy Moths, etc., Trimming of Shade Trees and for Prevention and Suppression of Forest Fires.
3. For Health and Sanitation, including expenses of the Board of Health, Inspection of Animals, Inspection of Meats and Provisions, Inspection of School Children, Construction and Maintenance of Sewer and Sewer Beds.
4. For Highways and Bridges, including construction and repair of Roads, Bridges, Sidewalks, Street Lighting, Street Sprinkling and all other Highway Expenses.

5. For Public Charities, including compensation and expenses of the Board of Public Welfare, expense at the Almshouse, and for aid to Out-side Poor and Old Age Assistance.
6. For Soldiers' Benefits, including State Aid, Soldiers' Relief, and Soldiers' Burials.
7. For Education, including all the expenses of the School Committee.
8. For the Franklin Public Library.
9. For the Improvement of the Commons.
10. For Unclassified Accounts, including the Decoration of Soldiers' Graves, Printing of the Town Report.
11. For the Maintenance and Operation of the Water Department, including the compensation of the Water Commissioners.
12. For the payment of Interest on Town Debts.
13. For the payment of Municipal Indebtedness.

Article 6. To see if the Town will vote to use the interest of the Lucretia Pond Fund not otherwise provided for, for the care of Town Cemeteries, to be expended under the direction of the Selectmen, or do anything relating thereto.

Article 7. To see if the Town will vote to raise and appropriate the sum of One Hundred and Fifty Dollars (\$150) for the care of the Union Street Cemetery, to be expended under the direction of the Selectmen, or do anything relating thereto.

Article 8. To see if the Town will vote to raise and appropriate the sum of One Hundred Dollars (\$100) for the care of the City Mills Cemetery, to be expended under the direction of the Selectmen, or do anything relating thereto.

Article 9. To see if the Town will vote to appropriate a sum of money from the income of the Fletcher Fund for the construction and equipment of a playground and recreational field, on "Fletcher Field", to be expended under the direction of the Playground and Recreation Committee.

Article 10. To see if the Town will instruct the Selectmen to suppress the illegal sale of intoxicating liquors in this town during the ensuing year.

Article 11. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000), for the use of the local Works Progress Administration, and, or any other local Federal Agency, conditional upon funds being contributed by the Federal Government, to be expended under the direction of the Board of Selectmen, or do anything relating thereto.

Article 12. To see if the Town will vote to raise and appropriate the sum of Sixteen Hundred Dollars (\$1600.00) for the repair and maintenance of Chapter 90 roads, said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, or take any other action in relation thereto.

Article 13. To see whether or not the Town will purchase from Matthew J. Van Leeuwen for use in connection with the Joseph G. Ray Swimming Pool the lots numbered 82, 83, 84 and 111 on a plan drawn by Arthur R. Raymond, Civil Engineer, dated May 1923 as modified and approved by the Land Court, filed in the Land Registration Office as No. 2984B, a copy of a portion of which is filed in Norfolk Registry district of the Land Court, with Certificate No. 6378, and grant or appropriate the sum of One Hundred and five dollars and eight cents (\$105.08) therefor, or do anything relating thereto.

Article 14. To see whether or not the Town will accept a deed from Eagle Realty Company conveying to the Town of Franklin the lots numbered 112 and 113 on a plan drawn by Arthur R. Raymond, Civil Engineer,

dated May 1923 as modified and approved by the Land Court, filed in the Land Registration Office as No. 2984B, a copy of a portion of which is filed in Norfolk Registry district of the Land Court, with certificate No. 6378, or do anything relating thereto.

Article 15. To see if the Town will vote to raise and appropriate a sum of money to install a Street Light on the corner of Cleveland Avenue and Gallison Street, or do anything relating thereto.

Article 16. To see if the Town will accept as a public way, the private way known as Garden Street, as laid out by the Selectmen, or do anything relating thereto.

Article 17. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to extend the water mains along Oak and Pond Streets, or do anything relative thereto.

Article 18. To see if the Town will vote to raise and appropriate the sum of (\$7000.00) Seven Thousand Dollars for the improvement of Chestnut Street; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, or take any other action in relation thereto.

Article 19. To see if the Town will vote to raise and appropriate the sum of Three Thousand Five Hundred Dollars (\$3500) for the improvement of King Street, starting at the junction of East Central Street; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, or take any other action in relation thereto.

Article 20. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Dollars (\$800) to foreclose tax liens now held by the Town, or do anything relating thereto.

Article 21. To see if the Town will vote to transfer the amount of \$997.83 from the Overlay Reserve Fund

to a Special Reserve Fund to be used for extraordinary or unforeseen expenses, or do anything relating thereto.

Article 22. To see if the Town will vote to fix the salary of the Town Auditor at Five Hundred Dollars (\$500) a year, or do anything relating thereto.

Article 23. To see if the Town will vote to raise and appropriate the sum of Eight Hundred and Eighty Dollars (\$880) to pay land damages caused by the relocation of Main Street, or do anything relating thereto.

Article 24. To see if the Town will vote to raise and appropriate the sum of One Thousand Three Hundred and Twenty-Seven Dollars (\$1327.00) to pay land damages caused by the relocation of Chestnut Street, or do anything relating thereto.

Article 25. To see if the Town will vote to accept as a public way the private way known as Ried Street, running from Beaver Street to Stubbs Street, as laid out by the Selectmen, or do anything relating thereto.

Article 26. To see if the Town will vote to accept as a public way the way known as Stubbs Street, running from Ried Street to Lee Street, as laid out by the Selectmen, or do anything relating thereto.

Article 27. To see if the Town will vote to accept as a public way the private way known as Lee Street, running between Beaver Street and Farrington Street, a distance of about two hundred yards, as laid out by the Selectmen, or do anything relating thereto.

Article 28. To see if the Town will vote to raise and appropriate the sum of (\$800.00) Eight Hundred Dollars for the purchase of a new car for the Police Department, or do anything relating thereto.

Article 29. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3000) for the cutting of Brush along the various town highways, or do anything relating thereto.

Article 30. To see what action the Town will take in regard to the appointment of a committee to investigate the feasibility of remodeling the Town Hall for Town offices and Police Headquarters, said committee to report at the next town meeting.

Article 31. To see if the Town will vote to appropriate the Dog License money received for the present year, for the support of the Schools or the Public Library.

Article 32. To see if the Town will vote to authorize the selectmen to sell, after first giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the town fourteen days at least before the sale, property taken by the town under tax title procedure provided that the selectmen or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate, or take any action relative thereto.

Article 33. To see if the Town will vote to make suitable improvements upon and tar the surface of Beach Street, running from Pond Street to the Bellingham line, or do anything relating thereto.

Article 34. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4000) for material to complete the town surface drain off West Central Street through the properties of the Clark-Cutler-McDermott Company and the American Felt Company, or do anything relating thereto.

Article 35. To see if the town will vote to raise and appropriate the sum of (\$3500) Thirty-Five Hundred Dollars for the purchase of equipment for the Highway Department, or do anything relating thereto.

Article 36. To see if the Town will vote to change Section 2 of Article 1 of the By-Laws of the Town of Franklin so that it will read as follows: "The Warrants for all Town Meetings shall be directed to either of the Constables of the Town, and meetings shall be notified,

by posting attested copies of the warrants in not less than five places open to the public, seven days at least before the day of such meeting."

Article 37. To see if the Town will vote to fix the salaries of the Board of Public Welfare at \$350.00 a year for the Chairman and \$200.00 a year for each of the other members, or do anything relating thereto.

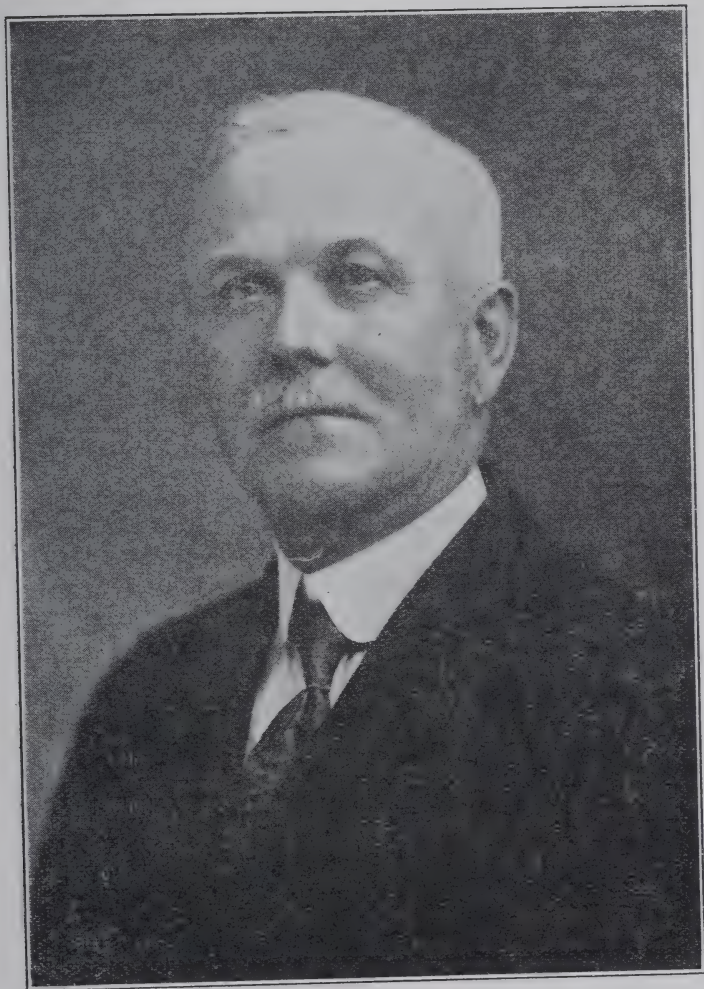

And you are directed to serve this warrant by posting attested copies thereof, seven days at least before the time of meeting as directed by the vote of the town.

Hereof fail not and make due return of this warrant, with your doings thereon, at the time and place of meeting.

Given under our hands this thirtieth day of January A. D. 1936.

WARRANT FOR THE ANNUAL TOWN MEETING

February 12, 1935.

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Franklin,
in the County of Norfolk.

You are hereby required in the name of the Commonwealth of Massachusetts to notify and warn the qualified voters of the said Town of Franklin, to assemble in their Town Hall, on Tuesday, the twelfth day of February A. D. 1935, it being the second Tuesday in said February, at six o'clock in the forenoon and remain in session until six o'clock in the afternoon, then and there to act on the following articles, viz :

Article 1. To choose by ballot the following Town officers, viz :—A Moderator, three Selectmen, a Town Clerk, a Town Treasurer, a Collector of Taxes, an Auditor, three members of the Board of Public Welfare, a Tree Warden, three Constables, all for the term of one year; one Assessor of Taxes for the term of three years, one member of the Board of Health for the term of three years, one member of the School Committee for the term of three years, one member of the Water and Sewer Commissioners for the term of three years, and one member of the Town Planning Board for the term of three years.

Article 2. To choose all other necessary Town Officers.

Article 3. To hear a report of the Town Officers and Committees and act thereon.

Article 4. To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year, beginning Jan. 1, 1935, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws.

Article 5. To see what sum of money the Town will raise and appropriate for the following purposes, to wit:—

1. For general government, including the compensation and expense of the Selectmen, Auditor, Collector of Taxes, Treasurer, Assessors of Taxes, Town Clerk, also for Elections and Registrations, Town Hall and other finance accounts.
2. For Protection of Persons and Property, including the payment of Police and Suppression of Illegal Liquor Traffic, Support of Fire Department, Sealing of Weights and Measures, Extermination of Gypsy Moths etc., Trimming of Shade Trees and for Prevention and Suppression of Forest Fires.
3. For Health and Sanitation, including expenses of the Board of Health, Inspection of Animals, Inspection of Meats and Provisions, Inspection of School Children, Construction and Maintenance of Sewer and Sewer-Beds.
4. For Highways and Bridges, including construction and repair of Roads, Bridges, Sidewalks, Street Lighting, Street Sprinkling and all other Highway expenses.

5. For Public Charities, including compensation and expenses of the Board of Public Welfare, expense at the Almshouse and for aid to Outside Poor and Old Age Assistance.
6. For Soldiers' Benefits, including State Aid, Soldiers' Relief and Soldiers' Burials.
7. For Education, including all the expenses of the School Committee.
8. For the Franklin Public Library.
9. For the Improvement of the Commons.
10. For Unclassified Accounts, including the Decoration of Soldiers' Graves, Printing of the Town Report.
11. For the Maintenance and Operation of the Water Department, including the Compensation of the Water Commissioners.
12. For the payment of Interest on Town Debts.
13. For the payment of Municipal Indebtedness.

Article 6. To see if the Town will vote to use the interest of the Lucretia Pond Fund not otherwise provided for, for the care of Town Cemeteries, to be expended under the direction of the Selectmen.

Article 7. To see if the Town will vote to raise and appropriate the sum of one hundred and fifty dollars (\$150) for the care of the Union Street Cemetery, to be expended under the direction of the Selectmen, or do anything relating thereto.

Article 8. To see if the Town will vote to raise and appropriate the sum of one hundred dollars for the care of the City Mills Cemetery, to be expended under the direction of the Selectmen, or do anything relating thereto.

Article 9. To see if the Town will vote to appropriate the Dog License money received for the present year, for the support of the Schools or the Public Library.

Article 10. To see if the Town will vote to appropriate a sum of money from the income of the Fletcher Fund for the construction and equipment of a playground and recreational field on "Fletcher Field," to be expended under the direction of the Playground and Recreation Committee.

Article 11. To see if the Town will vote to raise and appropriate the sum of (\$5,000.00) five thousand dollars, for the purchase of a new truck for the use of the Highway Department, or do anything relating thereto.

Article 12. To see if the Town will vote to raise and appropriate the sum of one thousand and ninety dollars (\$1090.00) to pay land damages caused by relocation of Washington Street, or do anything relating thereto.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$100.00 to pay land damages caused by relocation of Chestnut Street, or do anything relating thereto.

Article 14. To see what action the town will take relative to joining with the Massachusetts Department of Public Works in the repair and improvement of Washington Street, raise and appropriate the sum of (\$7,000.00) seven thousand dollars therefor, or do anything relating thereto.

Article 15. To see what action the town will take relative to joining with the Massachusetts Department of Public Works in the repair and improvement of Chestnut Street, raise and appropriate the sum of five thousand dollars (\$5,000.00) therefor, or do anything relating thereto.

Article 16. To see if the Town will instruct the Selectmen to suppress the illegal sale of intoxicating liquors in this town during the ensuing year.

Article 17. To see if the Town will vote to change Article 1, Section 13 of its By-Laws to read as follows:

Finance Committee

At each annual town meeting a Finance Committee shall be chosen by ballot, said committee to consist of fifteen members, none of whom at the time of election shall hold any other elective office. Said committee shall choose their own chairman, and shall consider and report in writing all articles in any warrant calling for any Town Meeting, except those relative to the choice of Town Officers. Any vacancy in said Committee, caused by death, resignation, removal from town, or otherwise, shall be filled by the Selectmen, and the Selectmen shall send to the Chairman of said committee a copy of the warrant for any town meeting as soon as it is prepared or received by them.

Said committee to be elected in the following manner, viz:—five for a term of one year, five for a term of two years and five for a term of three years, and at each annual Town Meeting thereafter five for a term of three years.

Article 18. To see if the Town will vote to amend Article 1, Section 13 of its By-Laws relating to a Finance Committee of Twenty-one members by striking out said Section 13 and inserting in place thereof the following:

Advisory Committee

Section 13. At each annual town meeting, the Moderator shall appoint a Committee, to be known as the "Advisory Committee," to consist of fifteen members, none of whom at the time of the appointment shall hold any elective town office. Said committee shall consider and report in writing upon all articles in any warrant calling for any Town Meeting, except those relating to the choice of Town Officers. Said Committee shall serve for the year next ensuing after the final adjournment of the Annual Town Meeting, at which they were appointed, and until the appointment of their successors. Any vacancy in said Committee, caused by death, resig-

nation, removal from Town, or otherwise, shall be filed by the Moderator, and the Selectmen shall send to the chairman of said Committee a copy of the warrant for any Town Meeting as soon as it is prepared or received by them.

Article 19. To see if the Town will vote to raise and appropriate a sum of money to install a street light on the corner of Cleveland Avenue and Gallison Street, or do anything relating thereto.

Article 20. To see if the town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) for the use of the Local Emergency Relief Administration, to be expended under the direction of the Board of Selectmen, or do anything relating thereto.

Article 21. To see if the Town will vote to raise and appropriate the sum of Twenty-five thousand dollars (\$25,000) to purchase material for extension of water system through Oak and Pond Streets to the Medway line, provided the labor can be secured from the Federal or State Government, or the Welfare Department of the Town; or do anything relating thereto.

Article 22. To see if the Town will vote to fix the salary of the Town Treasurer at \$1,800.00 a year, or do anything relating thereto.

Article 23. To see if the Town will vote to raise and appropriate the sum of eight hundred dollars (\$800.00) to foreclose tax liens now held by the Town, or do anything relating thereto.

Article 24. To see if the Town will vote to fix the compensation of the Collector of Taxes at $\frac{7}{8}$ of one percent on all taxes committed to him for collection, or do anything relating thereto.

Article 25. To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300) for material for the shingling of the roof and repairs to the

Legion Hall, the labor for same to be secured from the E. R. A., or do anything relating thereto.

Article 26. To see if the Town will vote to discontinue the Town way known as Winter Street Extension between Peck Street and Wachusett Street, or do anything relating thereto.

Article 27. To see if the Town will vote to use the land between Peck Street and Wachusett Street formerly known as Winter Street Extension as part of the Playground and Recreation Field known as "Fletcher Field," subject to the sewer right of way, or any other lawful easement, or do anything relating thereto.

Article 28. To see if the Town will vote to raise and appropriate the sum of two hundred and eighty dollars to install and maintain sixteen street lights on Forest Street, or do anything relating thereto.

Article 29. To see what action the town will take relative to joining with the Massachusetts Department of Public Works and the County of Norfolk in the repair and maintenance of Chapter 90 roads, raise and appropriate the sum of Sixteen hundred dollars (\$1600) therefor, or do anything relating thereto.

Article 30. To see if the Town will vote to purchase from the United States Government land in front of the new Post Office, on Main Street, as shown in layout made by the County Commissioners, dated Jan. 7, 1935, and raise and appropriate the sum of \$1.00 in payment therefor, or do anything relating thereto.

Article 31. To see if the Town will vote to sell to the Commonwealth of Massachusetts a parcel of land off Grove Street containing approximately 57 acres and known as the Moses lot, to which lot the Town has a tax title now in process of foreclosure, or do anything relating thereto.

Article 32. To see if the Town will vote to accept a deed from Bessie K. Ray et al of land and water rights,

off West Central Street, on which the swimming pool has been constructed, and that said Pool shall be known as the Joseph G. Ray Swimming Pool, or do anything relating thereto.

Article 33. To see if the Town will vote to accept a deed from the Eagle Realty Company of a parcel of land off West Central Street, subject to water rights, if any, adjoining land of Bessie K. Ray et al, or do anything relating thereto.

Article 34. To see what action the Town will take in regard to the following question: Shall the operation of Section 105B of Chapter 131 of the General Laws, requiring for the taking of fur-bearing animals the use of traps that kill at once, or take such animals alive unharmed, be suspended within this Town?

Article 35. To see if the Town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) to be expended under the direction of the Selectmen, for taking a census of the inhabitants of the Town, as required by law, or do anything relating thereto.

And you are directed to serve this warrant by posting attested copies thereof, seven days at least before the time of meeting as directed by the vote of the Town.

Hereof fail not and make due return of this warrant, with your doings thereon, at the time and place of meeting.

Given under our hands this twenty-third day of January A. D. 1935.

DANIEL A. CODY,
A. HARRY SIMON,
EDWARD S. COOK,

Selectmen of Franklin.

RETURN OF WARRANT

Franklin, Mass.

Feb. 2, 1935

By virtue of the within warrant, I have notified and warned the inhabitants of the Town of Franklin, herein described, to assemble in our Town Hall on Tuesday, the twelfth day of February A. D. 1935, at six o'clock in the forenoon, for the purpose within mentioned, by posting attested copies of the within warrant in each of the post offices of the town, and in ten other public places, in compliance with Section Two of Article One of the By-Laws of the Town of Franklin.

CARL F. ENGLER,

Constable of Franklin.

PROCEEDINGS OF THE ANNUAL TOWN MEETING

February 12th, 1935.

Pursuant to the foregoing warrant, the inhabitants of the aforesaid Town of Franklin, qualified to vote in Town affairs, met at the Town Hall, in said town, on the second Tuesday of February, it being the twelfth day of said month, A. D. 1935.

The meeting was called to order at the time and place named in said warrant, by William S. Johnson, the Moderator, and at his request the warrant and return thereon was read by the Town Clerk, excepting the articles numbered three to forty, both inclusive.

The Moderator appointed as checkers of the voting lists, John M. Riley, Fred DeBaggis, Elizabeth Connors and Rose Hutchinson, and they were sworn by the Moderator.

Franklin, Mass., February 12, 1935.

Réceived of Michael J. Costello, Town Clerk of Franklin, a sealed package said to contain 3250 official ballots to be used at the election held in this Town this day.

The cards of instructions and specimen ballots were posted in each of the marking shelves or compartments, provided by the Selectmen, and a guard rail was set six feet or more from said marking shelves or compartments, as required by law, and the cards of instructions and specimen ballots were posted outside the guard rail, according to law.

Voted that the polls close at 6 o'clock P. M.

Voted that when this meeting adjourns it be Saturday, the second day of March, at 8:00 P. M. at the High School Building.

Voted that the meeting proceed to vote and elect officers under Article 1 in the warrant.

The ballot box, provided by the Secretary of the Commonwealth, used at the election, was publicly opened and shown to be empty, and was examined by the Moderator and Town Clerk, and found to be empty,

and the register thereon was set at 000, and then locked and the key given to Officer Freeman G. Knowlton, and the polls were declared open.

When the ballots were delivered to the voters by the Ballot Clerks, the check list was used, and the name of each voter receiving a ballot was announced and checked thereon by the Ballot Clerks; and the voter so receiving his ballot marked it at the marking shelf or compartment, and then deposited his ballot in the box, as directed by the Moderator. The name of each voter so casting a ballot was announced in a loud and distinct tone of voice and checked up on the check list by the election officers in charge at said box and list.

At 8 o'clock A. M., by unanimous consent of the election officers, the ballots were then taken from the box, which registered 250, and the counting of the ballots then commenced, and in said box there were found to be 250 ballots.

The polls were closed at 6 o'clock P. M. Then the register on the ballot box showed that 2193 ballots had been cast therein, and the names checked on each voting list were then counted by the election officers in a distinct and audible voice, and the number checked was 2193, which was announced.

All the ballots cast by the voters as aforesaid were sorted, counted and declaration thereof made by the Town Clerk in open meeting, as follows, viz:—

FOR MODERATOR

William S. Johnson, Nom. Papers	
Had Twelve hundred nine	1209
Blanks, Nine hundred eighty-four	984

And the said William S. Johnson was declared elected and he was sworn by the Town Clerk on February 19, 1935.

FOR SELECTMEN

John B. Cataldo, Nom. Papers	
Had Eight hundred ninety-one	891
Daniel A. Cody, Nom. Papers	
Had Eight hundred thirty-two	832
Edward S. Cook, Nom. Papers	
Had Seven hundred seventy-six	776
Albert F. Granger, Nom. Papers	
Had Ten hundred forty-three	1043
Loring E. Johnson, Nom. Papers	
Had Ninety-eight	98

A true record.

Attest:—

MICHAEL J. COSTELLO,
Clerk.

ADJOURNED SPECIAL TOWN MEETING

FROM DEC. 18, 1934.

Saturday, March 2, 1935

7 P. M. MEETING

Article in Warrant

To see if the Town will authorize the Selectmen to sell or lease the land and buildings known as the Car Barn and Power House, or do anything relating thereto.

Voted: That the Town authorize and empower the Board of Selectmen to sell, and the Town Treasurer to

sign, seal, execute and deliver for and on behalf of the Inhabitants of the Town of Franklin a deed to the premises described in decree of the Land Court, dated October 8, 1934, foreclosing the tax lien acquired under tax deed from Brookdale Mills, Inc. to said Inhabitants, dated September 24, 1931, recorded with Norfolk County Deeds, Book 1941, Page 536, in such form as, in the discretion of the Board of Selectmen, shall be for the best interest of the Town of Franklin; provided, nevertheless, that the Board of Selectmen shall not sell said premises for a sum less than the amount of tax lien, interest charges, and expense of foreclosure.

And on motion at 7:05 P. M. the meeting was adjourned.

A true copy.

Attest:—

MICHAEL J. COSTELLO,
Clerk.

WARRANT FOR SPECIAL TOWN MEETING

March 2, 1935

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Franklin,
in the County of Norfolk:

Greetings:

You are hereby required in the name of the Commonwealth of Massachusetts to notify and warn the qualified

voters of the said Town of Franklin to assemble in their Franklin High School, on Saturday, the Second day of March A. D. 1935, it being the first Saturday in said March, at seven-thirty o'clock in the evening, then and there to act on the following articles, viz:

Article 1. To ascertain whether or not the Town will authorize and empower the Board of Selectmen of the Town to sell, from time to time, and for such price, as the said Board of Selectmen shall, in the exercise of its discretion, determine, the whole or any part of any real estate to which the Town has acquired title by foreclosure of a tax title thereto, or to which the Town may hereafter acquire title by foreclosure of a tax title thereto, and to prepare or cause to be prepared, execute and acknowledge, for and in the name and behalf of the Town, and under the corporate seal of the Town, and deliver, such deed, or deeds or other instruments of conveyance as may be necessary or incidental to the effectual completion of such sale or sales, or do or act anything relating thereto.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of meeting as directed by the vote of the Town.

Hereof fail not and make due return of this warrant, with your doings thereon, at the time and place of meeting.

Given under our hands this twenty-first day of February, A. D. 1935.

ALBERT F. GRANGER,
JOHN B. CATALDO,
DANIEL A. CODY,

Selectmen of Franklin.

2501-A

RETURN OF WARRANT

Franklin, Mass.,

March 2, 1935.

By virtue of the within warrant, I have notified and warned the inhabitants of the Town of Franklin, herein described, to assemble in our Franklin High School on Saturday, the second day of March A. D. 1935, at seven-thirty o'clock in the evening, for the purpose within mentioned, by posting attested copies of the within warrant in each of the post offices of the town, and in ten other public places, in compliance with Section two of Article One of the By-Laws of the Town of Franklin.

FREEMAN G. KNOWLTON,

Constable of Franklin.

SPECIAL TOWN MEETING

Saturday, March 2, 1935.

7:30 P. M. Meeting

Article 1. To ascertain whether or not the Town will authorize and empower the Board of Selectmen of the Town to sell, from time to time, and for such price, as the said Board of Selectmen, shall, in the exercise of its discretion, determine, the whole or any part of any real estate to which the Town has acquired title by foreclosure of a tax title thereto, or to which the Town may

hereafter acquire title by foreclosure of a tax title thereto, and to prepare or cause to be prepared, execute and acknowledge, for and in the name and behalf of the Town, and under the corporate seal of the Town, and deliver, such deed, or deeds or other instruments of conveyance as may be necessary or incidental to the effectual completion of such sale or sales, or do or act anything relating thereto.

Voted: That the Town pass the following vote: That until further action be taken by vote of the Town of Franklin, the Board of Selectmen of said Town be and they hereby are authorized and empowered to sell, from time to time, and for such price, as the said Board of Selectmen shall, in the exercise of its discretion, determine, the whole or any part of any real estate to which the Town has acquired title by foreclosure of a tax title thereto, or to which the Town may hereafter acquire title by foreclosure of a tax title thereto, and to prepare or cause to be prepared, execute and acknowledge, for and in the name and behalf of the Town, and under the corporate seal of the Town, and deliver, such deed, or deeds or other instruments of conveyance as may be necessary or incidental to the effectual completion of such sale or sales.

And on motion at 7:35 P. M. the meeting was adjourned.

A true copy.

Attest:—

MICHAEL J. COSTELLO,
Clerk.

PROCEEDINGS OF THE ADJOURNED ANNUAL TOWN MEETING

March 2, 1935.

At a meeting of the inhabitants of the Town of Franklin qualified to vote in Town affairs, held in the High School Building in said Town on Saturday, March 2, 1935, pursuant to the adjournment made on the 12th day of February, the Moderator, William S. Johnson, called the meeting to order at 8:00 P. M. and the business proceeded as follows, Viz:—

The Moderator appointed Thomas F. Keefe as Chairman of Tellers and Wilton F. May, Sullivan Potenza, George Dana, Fred Tufts and William Rice as Tellers and they were sworn by the Moderator.

Article 4. To hear a report of the Town Officers and Committees and act thereon.

Voted: That the Town raise and appropriate the sum of \$7000. for the repair and improvement of Washington Street; contingent upon the contribution of \$7000. by the Massachusetts Department of Public Works, the same to be expended under the direction of the Selectmen with the approval of the Massachusetts Department of Public Works.

Article 15. To see what action the Town will take relative to joining with the Massachusetts Department of Public Works in the repair and improvement of Chestnut Street, raise and appropriate the sum of five thousand dollars (\$5,000.00) therefor, or do anything relating thereto.

Voted: That the Town raise and appropriate the sum of \$5000 for the repair and improvement of Chestnut Street; contingent upon the contribution of \$5000 by the Massachusetts Department of Public Works, the same to be expended under the direction of the Selectmen with the approval of the Massachusetts Department of Public Works.

Article 16. To see if the Town will instruct the Selectmen to suppress the illegal sale of intoxicating liquors in this town during the ensuing year.

Voted: That the Town instruct the Selectmen to suppress the illegal sale of intoxicating liquors in this town during the ensuing year.

Article 17. To see if the Town will vote to change Article 1, Section 13 of its By-Laws to read as follows:

Finance Committee

At each annual town meeting a Finance Committee shall be chosen by ballot, said committee to consist of fifteen members, none of whom at the time of election shall hold any other elective office. Said committee shall choose their own chairman, and shall consider and report in writing all articles in any warrant calling for any Town Meeting, except those relative to the choice of Town Officers. Any vacancy in said Committee, caused by death, resignation, removal from town, or otherwise, shall be filled by the Selectmen, and the Selectmen shall send to the Chairman of said committee a copy of the warrant for any town meeting as soon as it is prepared or received by them.

Said committee to be elected in the following manner, viz:—five for a term of one year, five for a term of two years and five for a term of three years, and at each annual Town Meeting thereafter five for a term of three years.

Voted: That the Article be indefinitely postponed.

Article 18. To see if the Town will vote to amend Article 1, Section 13 of its By-Laws relating to a Finance Committee of Twenty-one members by striking out said Section 13 and inserting in place thereof the following:

Advisory Committee

Section 13. At each annual town meeting, the Moderator shall appoint a Committee, to be known as the "Advisory Committee," to consist of fifteen members, none of whom at the time of the appointment shall hold any elective town office. Said committee shall consider and report in writing upon all articles in any warrant

calling for any Town Meeting, except those relating to the choice of Town Officers. Said Committee shall serve for the next year ensuing after the final adjournment of the Annual Town Meeting, at which they were appointed, and until the appointment of their successors. Any vacancy in said Committee, caused by death, resignation, removal from Town, or otherwise, shall be filled by the Moderator, and the Selectmen shall send to the chairman of said Committee a copy of the warrant for any Town Meeting as soon as it is prepared or received by them.

Voted: That the Town amend Article 1, Section 13 of its By-Laws by striking out Section 13 and inserting in place thereof the following:

Advisory Committee

Section 13. At each annual town meeting, the Moderator shall appoint a Committee, to be known as the "Advisory Committee," to consist of fifteen members, none of whom while serving on the committee shall hold any elective town office. Said Committee shall choose their own chairman and shall consider and report in writing upon all articles in any warrant calling for any Town Meeting, except those relating to the choice of Town Officers. Said Committee shall serve for the year next ensuing after the final adjournment of the Annual Town Meeting at which they are appointed, and until the appointment of their successors. Any vacancy in said Committee, caused by death, resignation, removal from Town, or otherwise, shall be filled by the Moderator, and the Selectmen shall send to the chairman of said Committee a copy of the warrant for any Town Meeting as soon as it is prepared or received by them. This By-Law, if approved by the Attorney General, shall become effective on or after the Adjourned Annual Town Meeting of 1936.

Boston, Mass., Nov. 20, 1935. The within By-Laws are hereby approved.

PAUL A. DEVER,
Attorney General.

Article 19. To see if the Town will vote to raise and appropriate a sum of money to install a street light on the corner of Cleveland Avenue and Gallison Street, or do anything relating thereto.

Voted: That the Article be indefinitely postponed.

Article 20. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) for the use of the Local Emergency Relief Administration, to be expended under the direction of the Board of Selectmen, or do anything relating thereto.

Voted: That the Town raise and appropriate the sum of \$10,000 to be expended under the direction of the Board of Selectmen, for the use of the Local Emergency Relief Administration, and, or, any other local Federal Agency, conditional upon funds being contributed by the Federal Government.

Article 21. To see if the Town will vote to raise and appropriate the sum of Twenty-five thousand dollars (\$25,000) to purchase material for extension of water system through Oak and Pond Streets to the Medway line, provided the labor can be secured from the Federal or State Government, or the Welfare Department of the town; or do anything relating thereto.

Voted: That the Town raise and appropriate the sum of \$250. for payment of any necessary expenses for investigating and for preparing, in their discretion, a plan or plans for installing a water system on either Oak, Pond, Beech, Pine and Plain streets, or all of them, the sum to be expended under the direction of the Board of Water and Sewer Commissioners and that the said Commissioners be instructed to report with their recommendations thereon at a future Town Meeting.

Article 22. To see if the Town will vote to fix the salary of the Town Treasurer at \$1,800.00 a year, or do anything relating thereto.

Voted: That the Town fix the salary of the Town Treasurer at \$1800. a year.

Article 23. To see if the Town will vote to raise and appropriate the sum of eight hundred dollars (\$800.00) to foreclose tax liens now held by the Town, or do anything relating thereto.

Voted: That the Town raise and appropriate the sum of eight hundred dollars (\$800) to foreclose tax liens now held by the Town.

Article 24. To see if the Town will vote to fix the compensation of the Collector of Taxes at $\frac{7}{8}$ of one percent on all taxes committed to him for collection, or do anything relating thereto.

Voted: That the Town fix the compensation of the Collector of Taxes at seven-eighths ($\frac{7}{8}$) of one percent on all taxes committed to him for collection, for the current year. Not to exceed \$1800 per year.

Article 25. To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300) for material for the shingling of the roof and repairs to the Legion Hall, the labor for same to be secured from the E. R. A., or do anything relating thereto.

Voted: That the Article be indefinitely postponed.

Article 26. To see if the Town will vote to discontinue the Town way known as Winter Street Extension between Peck Street and Wachusett Street, or do anything relating thereto.

Voted: That the Article be indefinitely postponed.

Article 27. To see if the Town will vote to use the land between Peck Street and Wachusett Street formerly known as Winter Street Extension as part of the Playground and Recreation Field known as "Fletcher Field," subject to the sewer right of way, or any other lawful easement, or do anything relating thereto.

Voted: That the Article be indefinitely postponed.

Article 28. To see if the Town will vote to raise and appropriate the sum of two hundred and eighty dollars to install and maintain sixteen street lights on Forest Street, or do anything relating thereto.

Voted: That the Article be indefinitely postponed.

Article 29. To see what action the Town will take relative to joining with the Massachusetts Department of Public Works and the County of Norfolk in the repair and maintenance of Chapter 90 roads, raise and appropriate the sum of Sixteen hundred dollars (\$1600) therefor, or do anything relating thereto.

Voted: That the Town raise and appropriate the sum of Sixteen hundred dollars (\$1600) to join with the Massachusetts Department of Public Works and the County of Norfolk, in the repair and maintenance of Chapter 90 roads, to be expended under the direction of the Selectmen.

Article 30. To see if the Town will vote to purchase from the United States Government land in front of the new Post Office, on Main Street, as shown in layout made by the County Commissioners, dated Jan. 7, 1935, and raise and appropriate the sum of \$1.00 in payment therefor, or do anything relating thereto.

Voted: That the Town raise and appropriate the sum of one dollar (\$1), to purchase from the United States Government, land in front of the new Post Office, on Main Street, as shown in layout made by the County Commissioners, dated Jan. 7, 1935.

Article 31. To see if the Town will vote to sell to the Commonwealth of Massachusetts a parcel of land off Grove Street containing approximately 57 acres and known as the Moses lot, to which lot the Town has a tax title now in process of foreclosure, or do anything relating thereto.

Voted: That the Town sell to the Commonwealth of Massachusetts, at a price, within the discretion of the Board of Selectmen, a parcel of land off Grove Street, containing approximately 57 acres and known as the Moses lot, to which lot the Town has a tax title now in process of foreclosure.

Article 32. To see if the Town will vote to accept a deed from Bessie K. Ray et al of land and water rights, off West Central Street, on which the swimming pool has been constructed, and that said Pool shall be known as the Joseph G. Ray Swimming Pool, or do anything relating thereto.

Voted: That the Town accept a deed from Bessie K. Ray et al of land and water rights, off West Central Street, on which a swimming pool has been constructed, and that said Pool shall be known as the Joseph G. Ray Swimming Pool.

Article 33. To see if the Town will vote to accept a deed from the Eagle Realty Company of a parcel of land off West Central Street, subject to water rights, if any, adjoining land of Bessie K. Ray et al, or do anything relating thereto.

Voted: That the Town accept a deed from the Eagle Realty Company of a parcel of land off West Central Street, subject to water rights, if any, adjoining land of Bessie K. Ray et al.

Article 34. To see what action the Town will take in regard to the following question: Shall the operation of Section 105B of Chapter 131 of the General Laws, requiring for the taking of fur-bearing animals the use of traps that kill at once, or take such animals alive unharmed, be suspended within this Town?

Voted: That the Article be indefinitely postponed.

Article 35. To see if the Town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) to be expended under the direction of the Selectmen,

for taking a census of the inhabitants of the Town, as required by law, or do anything relating thereto.

Voted: That the Town raise and appropriate the sum of Two hundred ninety-one dollars (\$291), to be expended under the direction of the Selectmen, for taking a census of the Inhabitants of the Town.

The Moderator appointed the following Finance Committee: John F. Brogan; Lewis J. Cataldo, Water Board; Clinton S. Clark; Donald B. Chapman; George E. Cody; Charles E. Dailey, Welfare Board; Harry J. Geb; Albert F. Granger, Selectmen; Marianno Gregory; Augustin D. Hancock; William S. Johnson, Moderator; Michael J. Kearney; Thomas F. Keefe; Percy G. Lloy; Francis W. Loucks; George H. V. Miller; Leonard L. Remington; Carl E. Richardson, Schools; Isador Saltman; Maurice J. Simon; Peter Zeppieri.

And on motion at 11:45 P. M. the meeting was adjourned.

A true copy.

MICHAEL J. COSTELLO,

Town Clerk.

WARRANT FOR SPECIAL TOWN MEETING

June 21, 1935

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Franklin,
in the County of Norfolk:

Greetings:

You are hereby required in the name of the Commonwealth of Massachusetts to notify and warn the qualified voters of the said Town of Franklin to assemble in their Franklin High School on Friday, the twenty-first day of June A. D. 1935, it being the third Friday in said June, at seven-thirty o'clock in the evening, then and there to act on the following articles, viz:

Article 1. To see if the Town will vote to confirm the vote passed under Clause 11 of Article 5 of the warrant for the annual town meeting of 1935 and authorize the borrowing of \$12,300 for the laying of water mains and the installation of a pump.

Article 2. To hear a report of the Board of Water Commissioners regarding the proposed Oak and Pond Street water main extension, as referred to under Article 21 of the Adjourned Town Meeting of March 2, 1935, and to see what action the Town will take relating thereto.

Article 3. To see if the Town will vote to transfer from the Soldiers' Relief Department to the Highway Department the sum of Four Hundred and Fifty Dollars

(\$450) for the purpose of employing veterans, or do anything relating thereto.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of meeting as directed by the vote of the Town.

Hereof fail not and make due return of this warrant, with your doings thereon, at the time and place of meeting.

Given under our hands this thirteenth day of June A. D. 1935.

A True Copy.

Attest:—

ALBERT F. GRANGER,
JOHN B. CATALDO,
DANIEL A. CODY,

Selectmen of Franklin.

RETURN OF WARRANT

Franklin, Mass., June 15, 1935.

By virtue of the within warrant, I have notified and warned the inhabitants of the Town of Franklin, herein described, to assemble in our Franklin High School on Friday, the twenty-first day of June A. D. 1935, at seven-thirty o'clock in the evening, for the purpose within mentioned, by posting attested copies of the within warrant in each of the post offices of the town and in ten other public places, in compliance with Section Two of Article One of the By-Laws of the Town of Franklin.

CARL F. ENGLER,
Constable of Franklin.

PROCEEDINGS OF THE SPECIAL TOWN MEETING

Friday, June 21, 1935.

7:30 P. M. MEETING

Article 1. To see if the Town will vote to confirm the vote passed under Clause 11 of Article 5 of the warrant for the annual town meeting of 1935 and authorize the borrowing of \$12,300 for the laying of water mains and the installation of a pump.

Voted: That the Town confirm the vote passed under Clause 11 of Article 5 of the Warrant for the Annual Town Meeting of 1935, and that, for the purpose of meeting the appropriation made for the laying of water mains and the installation of a pump, the Treasurer, with the approval of the Selectmen, be authorized to borrow \$12,300 and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Chapter 44, General Laws, so that the whole loan shall be paid in not more than five years.

Article 2. To hear a report of the Board of Water Commissioners regarding the proposed Oak and Pond Street water main extension, as referred to under Article 21 of the Adjourned Town Meeting of March 2, 1935, and to see what action the town will take relating thereto.

Voted: That the Report of the Water Commissioners be accepted and embodied in the Town Records, and that any further action on the article be referred to a future Town Meeting.

Article 3. To see if the Town will vote to transfer from the Soldiers' Relief Department to the Highway Department the sum of Four Hundred and Fifty Dollars (\$450) for the purpose of employing veterans, or do anything relating thereto.

Voted: That the Town transfer from the Soldiers' Relief Department to the Highway Department the sum of Four Hundred and Fifty Dollars (\$450).

A true record.

Attest:—

MICHAEL J. COSTELLO,
Town Clerk.

WARRANT FOR SPECIAL TOWN MEETING

October 9, 1935.

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the constables of the Town of Franklin, in the County of Norfolk:

Greetings:

You are hereby required in the name of the Commonwealth of Massachusetts to notify and warn the qualified voters of said Town of Franklin to assemble in their Franklin High School on Wednesday, the ninth day of October A. D. 1935, it being the second Wednesday in said October, at seven-thirty o'clock in the evening, then and there to act on the following articles, viz:

Article 1. To see if the Town will vote to raise and appropriate a sum of money for the purpose of financing the construction of a Grade School Building and authorize and direct the selectmen to accept on behalf of the Town, for use in carrying out such project, a Federal grant of money pursuant to the Emergency Relief Appropriation Act of 1935; and authorize a Building Committee to construct said project and contract with respect thereto; and authorize the treasurer, with the approval of the selectmen, to borrow such sums as may be necessary to meet any appropriation made; or take any action relative thereto.

Article 2. To see if the Town will vote to raise and appropriate a sum of money for the purpose of financing the construction of an Addition to the Franklin High School Building and authorize and direct the selectmen to accept on behalf of the Town, for use in carrying out such project, a Federal grant of money pursuant to the Emergency Relief Appropriation Act of 1935; and authorize a Building Committee to construct said project and contract with respect thereto; and authorize the treasurer, with the approval of the selectmen, to borrow such sums as may be necessary to meet any appropriation made; or take any action relative thereto.

Article 3. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars (\$400) for the use of the Board of Health, or do anything relating thereto.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of meeting as directed by the vote of the Town.

Hereof fail not and make due return of this warrant, with your doings thereon, at the time and place of meeting.

Given under our hands this second day of October A. D. 1935.

ALBERT F. GRANGER,
JOHN B. CATALDO,
DANIEL A. CODY,

Selectmen of Franklin.

RETURN OF WARRANT

Franklin, Mass.

Oct. 2, 1935.

By virtue of the within warrant, I have notified and warned the inhabitants of the Town of Franklin, herein described, to assemble in our Franklin High School on Wednesday, the ninth day of October A. D. 1935, at seven-thirty o'clock in the evening, for the purpose within mentioned, by posting attested copies of the within warrant in each of the post offices of the Town and in ten other public places, in compliance with Section Two of Article One of the By-Laws of the Town of Franklin.

FREEMAN G. KNOWLTON,
Constable of Franklin.

PROCEEDINGS OF THE SPECIAL TOWN MEETING

October 9, 1935.

Meeting called at 8:15 P. M. by the Moderator.

The warrant and return thereon was read by the Town Clerk.

Moderator appointed A. Harry Simon, John B. Healey, Joseph Yadisernia, Ralph Peterson, as Tellers, and they did ascertain that there were sixty-one (61) voters present.

Owing to the lack of a quorum, motion made and voted to adjourn to 9:15 P. M. this same evening.

PROCEEDINGS OF ADJOURNED MEETING OF THE SPECIAL TOWN MEETING

Meeting called at 9:30 P. M. by the Moderator.

Tellers did ascertain that there were seventy-eight (78) voters present and the meeting proceeded as follows:

Voted Unanimously: That, for the purpose of financing the construction, original equipment and furnishing of a Grade School Building, and to enable the Town to secure the benefits of the Emergency Relief Appropriation Act of 1935, there be raised and appropriated the sum of \$39,000.00, and the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$25,000.00 and to issue bonds or notes of the Town therefor, under authority of and in accordance with the provisions of Chapter 404 of the Acts of 1935, said bonds or notes to be payable in not more than fifteen (15) years at such term and maximum rate of interest as may be fixed by the Emergency Finance Board.

All moneys received by way of grant from the Federal Government on account of this project shall be applied first to meet the cost of construction thereof (including preliminary expenses), and any balance thereof shall be applied to payments of the loan herein authorized.

The Selectmen are hereby authorized and directed to accept on behalf of the Town, for use in carrying out such project a Federal grant of money pursuant to the Emergency Relief Appropriation Act of 1935, and a Building Committee, consisting of the School Committee and three other voters to be appointed by the Moderator, are authorized to proceed with the construction of said project and enter into all necessary and

proper contracts and agreements in respect thereto, all subject to applicable Federal regulations; and the Selectmen and the Building Committee are authorized to do all other acts and things necessary or convenient for obtaining said grant, for making said loan, and for constructing said project.

Voted: That, for the purpose of financing the construction, original equipment and furnishing of an Addition to the Franklin High School Building, and to enable the Town to secure the benefits of the Emergency Relief Appropriation Act of 1935, there be raised and appropriated the sum of \$28,000.00, and the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$16,500.00 and to issue bonds or notes of the Town therefor, under authority of and in accordance with the provisions of Chapter 404 of the Acts of 1935, said bonds or notes to be payable in not more than fifteen (15) years at such term and maximum rate of interest as may be fixed by the Emergency Finance Board.

All moneys received by way of grant from the Federal Government on account of this project shall be applied first to meet the cost of construction thereof (including preliminary expenses), and any balance thereof shall be applied to payments of the loan herein authorized.

The Selectmen are hereby authorized and directed to accept on behalf of the Town, for use in carrying out such project a Federal grant of money pursuant to the Emergency Relief Appropriation Act of 1935, and a Building Committee, consisting of the School Committee and three other voters to be appointed by the Moderator, are authorized to proceed with the construction of said project and enter into all necessary and proper contracts and agreements in respect thereto, all subject to applicable Federal regulations; and the Selectmen and the Building Committee are authorized to do all other acts and things necessary or convenient for obtaining said grant, for making said loan, and for constructing said project.

Fifty-eight (58) voting in the affirmative and four (4) in the negative.

Voted Unanimously: That there be appropriated the sum of Four Hundred Dollars (\$400.00) for the use of the Board of Health, and to meet the appropriation the Treasurer, with the approval of the Selectmen, be authorized to borrow said sum, under authority of Chapter 49 of the Acts of 1933 as amended.

Moderator appointed the same Building Committee: Robert H. Sewell, Thomas F. Keefe, Louis A. Fiorani and the School Committee, Lee C. Abbott, Carl E. Richardson, Roland McDermott.

Adjourned at 10:10 P. M.

Attest:—

MICHAEL J. COSTELLO,
Town Clerk.

ANNUAL REPORT

of the

School Committee

of the Town of

FRANKLIN, MASSACHUSETTS

For the Fiscal Year Ending December 31,

1935

SCHOOL COMMITTEE

Term expires

Lee C. Abbott, 136 School Street	1936
Carl E. Richardson, 37 Crescent Street	1937
Roland F. McDermott, Corbin Street	1938

ORGANIZATION

Lee C. Abbott, Chairman
Carl E. Richardson, Secretary

SUPERINTENDENT OF SCHOOLS

Arthur W. Hale, 254 Main Street
Office: High School Bldg.
Office Hours: Monday 8:00 to 9:00 A.M.,
4:00 to 5:00 P.M.
during school term.
Office open on school days: 8:00 to 12:00 noon,
1:00 to 5:00 P.M.
Saturday 8:00 to 12:00 noon.
Telephone: Office 520; House 506
Clerk: Mary L. Molla

REGULAR MEETING OF SCHOOL COMMITTEE

Second Tuesday of each month. High School Building,
at 8:00 P.M.

SCHOOL PHYSICIAN

Solon Abbott, M.D. 30 Dean Avenue
Telephone: 196

SCHOOL NURSE

Nellie Mitchell Saunders, R.N. Box 106, Franklin.
Telephone: 520

SUPERVISOR OF ATTENDANCE

John M. Riley, 94 Hillside Road
Telephone: 49

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Franklin:—

The purpose of the report of the School Committee is to preface briefly the more extended reports of the Superintendent of Schools and others and the statistical data appended. Every citizen should peruse these carefully in order to become familiar with the status of our schools at the present time.

Some of the more important matters which have demanded the Committee's attention during the year are the following:—

Changes in the Roll of Teachers

Miss Delphine Carpenter, Supervisor of Music in our Schools for nearly six years, resigned in March to accept a position in another town. During the remainder of the school year the music was cared for by regular teachers. Mrs. Marie Riley of Franklin was elected to the position for the school year beginning in September. In April, Miss E. Frances Washburn of the High School staff took over the classes in the Commercial Department formerly taught by Miss Peterson, and Miss Marion Holmes of Franklin substituted as teacher of English in place of Miss Washburn. In June Miss Holmes was elected a regular teacher. The vacancy caused by the resignation of Miss Ellen E. Shepard, teacher of History in the High School for nine years, was filled by the election of Miss Marie K. Hyde, a former resident of Franklin. Joseph DePasqua of Brockton, was elected teacher of Italian, which was introduced as a subject for the first time.

At Junior High School, the vacancy caused by the resignation of Miss Mary E. Jackson, teacher of mathematics, was filled by the election of Miss Helen M. Angell of this town, a teacher for some years in the Junior High School of Bucksport, Maine. Miss Margaret Thoren, teacher of the Opportunity Class, was

elected teacher of English in place of Avis A. Blanchard, who resigned, and Margaret Lennon of Franklin, a successful teacher in the schools of Bellingham for many years, was elected teacher of the Opportunity Class. Miss Helen Leary of Franklin was elected to fill the vacancy caused by the resignation of Miss Marjorie Leary.

The position in the fifth grade held by Miss Catherine F. Osgood, who resigned, was filled by changing Miss Helen Cataldo from the second grade of the Thayer School, her place in the last named school being taken by Miss Lucile Cook, who moved from the first to the second grade. Miss Marie Leary was transferred from the Arlington Street School to the Thayer first grade. Miss Irene Keefe of Franklin, who had done considerable work as substitute teacher during the past few years, was elected teacher of the third grade at the Arlington. Miss Hope Lincoln, who was on leave of absence after 15 years of successful teaching in Franklin, resigned to accept a position in her home town.

Teachers' Salaries

The petition of the teachers for the restoration of the salary cuts of three years ago which averaged 17%, was carefully considered by the Finance Committee, and in accordance with its recommendation the first cut of 6%, voluntarily assumed by the teachers, was restored. Further consideration of this important question will be given by the committee in conjunction with the Finance Committee for the present year. The janitors have also petitioned that their pay be restored to its former level which would mean an increase of 20% above their present salaries.

Ray School Fire

That it is the unexpected which oftentimes happens, was demonstrated by the serious fire which took place in the Ray School on the evening of November 5th. At the beginning of the school year, the third and fourth grades in the Horace Mann School Building were removed to the already overcrowded Theron Metcalf Building, and the sixth grades from the Ray School

transferred to the second floor of the Horace Mann School. By this change, it was possible to house a large number of the entering High School freshman class in the Ray School Building. Notwithstanding the good work of our Fire Department, serious damage resulted to the interior whereby the classes in occupancy were forced to abandon the building and were temporarily crowded into the High School. As soon as possible, one classroom was provided for the freshmen in the Thayer School Building by removing the second grade pupils to the extra room which had been occupied during the past two years by children of pre-school age under an FERA project. Through the kindness of the School Officials of the City of Boston, a portable schoolhouse was procured at nominal cost and is now ready for occupancy.

The adjustment of the insurance on the Ray School Building and contents required careful consideration on the part of the committee. The cost of the necessary repairs was determined, and a settlement has been agreed upon for an amount nearly sufficient to cover their cost. The Ray School was the best built building in town, but after thirty years of service some changes were necessary to make the building up to date and to comply with the requirements of the State Department of Public Safety. These improvements will entail an expenditure of about \$4,000.00 above the amount of the insurance recovered. When the repairs and improvements are completed Franklin will have a modern grade school building.

By reason of the fire and the crowded conditions resulting in the High School, it has been impossible to begin work on the addition to the High School which was voted as a PWA project. Reports in regard to this project and the building of a new grade school at the Four Corners will be submitted at the annual town meeting.

Respectfully submitted,

LEE C. ABBOTT,

CARL E. RICHARDSON, M.D.,

F. ROLAND McDERMOTT,

School Committee of Franklin.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Franklin:

My eighteenth annual report as Superintendent of your schools is submitted for your consideration, together with the reports of the senior and junior high school principals, the school physician and nurse, and the usual statistical data.

Enrollment and Attendance

During the year ending in June, 1935 there were enrolled in our public schools 1,768 pupils. Of this number 535 were in the High School and 1,233 in the first eight grades. The past fall 1,787 pupils have been enrolled, 554 of this number being in the High School and 1,233 in the grades. From these figures we see that the increase of 19 pupils has been in the High School. The number in the first eight grades being 1,233, the same as the June previous.

Although the enrollment in the High School this fall has increased only 19 pupils over the previous year, the average attendance has increased from 465 pupils to 502 pupils, or 37. In the first eight grades the attendance has decreased 21 pupils, or from 1,137 to 1,116 pupils. Thus it is evident that while the enrollment and attendance in the High School is increasing, that in the grades is decreasing.

The table below, which gives the enrollment and attendance figures for the years ending in June 1925 and 1935, is interesting in showing the trend in our school population:

	High		Elementary	
	Enrollment	Attendance	Enrollment	Attendance
1925	297	258	1,245	1,138
1935	535	465	1,233	1,137

A Major Housing Problem

This increase of 238 pupils in our High School enrollment over the past ten years, an increase of 80 percent, has severely taxed our High School accommodations. The present High School Building with maximum accommodations for 420 pupils was filled to capacity in six years. When built, many thought this building would have ample room for several years.

For three years previous to September 1935, it was necessary to use the two vacant rooms in the remodelled Horace Mann Building for two divisions of Freshmen. Last June it was realized that more accommodations would be needed in September to house the anticipated increase in High School pupils. Accordingly it was decided to make the four rooms in the Ray School Building, which is situated on a lot adjoining the High School grounds, available for High School purposes. In order to do this it was necessary to transfer the four rooms in the sixth grade that have been housed in the Ray Building for many years to the Horace Mann Building. This transfer also made it necessary to return to the Theron Metcalf Building, from the Horace Mann Building, the third and fourth grade rooms that had been housed in the Theron Metcalf Building previous to the remodelling of the Horace Mann Building in 1932.

By these changes several advantages as well as disadvantages accrued. The High School pupils could travel back and forth to the Ray Building without leaving the school grounds. All the fifth and sixth grade pupils, except a few at the North Franklin School, were now housed in the eight classrooms of the Horace Mann Building, thus making possible departmental work in those two grades whenever it seemed advisable. It also made it possible to have children of nearly the same age in the Horace Mann Building instead of pupils scattered

all the way from the third grade to high school. The main disadvantage was at the Theron Metcalf Building where it was necessary to take two rooms away from the Junior High School in order to house the third and fourth grades. To do this it was necessary to partition off the assembly hall and stage. The Junior High School pupils were deprived of their assembly hall, not only for assembly purposes, but also for music and other uses where divisions could be combined and a room larger than the ordinary classroom was needed. To some persons this may not seem to be a serious disadvantage, but to those closely connected with the development of children of Junior High School age, it is a most serious disadvantage not to have an assembly hall. It is hoped that the Junior High School will not be deprived of assembly periods after the present school year and that a four room building at Four Corners will be ready in September, 1936 to house the third and fourth grades now at the Theron Metcalf Building.

Fire at Ray School Building

Teachers and pupils were becoming adjusted to the above change when, on the night of Tuesday, November 5, 1935, a fire occurred at the Ray School Building. The fire made it impossible to continue its use for school purposes until extensive repairs were made. Immediately temporary arrangements were made to take care of the pupils that had been using the Ray Building, in the High School Building. This was done by using the cooking room, shop, library, and assembly hall for home rooms, and having the assembly hall used as a large study room. By this arrangement the regular study rooms could be used for class purposes. Later, arrangements were made to transfer the second grade at the Thayer School to the small hall room on the second floor, that had previously been used for the Nursery Classes. By this change the large second grade room on the first floor was made available for a high school class of 48 pupils. Both teachers and pupils have shown a very commendable and cooperative spirit in trying to make the best of the poor conditions and handicaps under which they have had to work since the fire.

Portable Schoolhouse

Efforts were soon made to see if a second-hand portable schoolhouse could not be procured from some place that no longer needed its use. Finally one was procured from the City of Boston and is now being erected near the parking space at the rear of the High School Building.

It is hoped with the room in the Portable and the one at the Thayer School that the pupils' work will not suffer too seriously until the necessary repairs are made at the Ray School and that building can again be used for high school purposes.

Federal W. P. A. Projects

At the last annual town meeting, a report was made to the voters by the committee of three that had been appointed the year before to investigate school housing conditions and the feasibility of making application to the Public Works Administration for a grant and loan for the construction of a new school building or an addition to one of the present school buildings. The report of the committee was accepted, the committee increased to six by the addition of the School Committee, and the sum of \$200.00 appropriated for the use of this committee.

After considering various means for relieving the crowded conditions in our schools, the committee finally recommended building an addition of three small rooms on the rear of the third floor at the High School Building and a four room brick building at Four Corners to take the place of the present two room wooden building.

Architects were selected for these projects, plans and specifications made, and the necessary approval obtained from the Federal and State Administrations. At a special town meeting held on October 9th, 1935, the matter was presented to the voters and the necessary money appropriated to carry the projects to completion under the Works Progress Administration which grants 45 percent of the cost of same.

The total money made available by the town and Federal W. P. A. was \$28,000.00 for the three room addition to the High School Building and \$39,000.00 for the four room building at Four Corners.

Bids have been received for both of these projects and it is expected that they will be completed and ready for use when school opens in September, 1936. It is hoped that these two projects will relieve the crowded conditions that now exist at both the Senior and Junior High Schools.

National Youth Administration

The N. Y. A. was established by President Roosevelt on June 26, 1935. "I have determined," declared the President upon establishing the administration, "that we shall do something for the Nation's unemployed youth because we can ill afford to lose the skill and energy of these young men and women." The Executive Order of the President established the N. Y. A. as a division of the Works Progress Administration through the authority of the Emergency Relief Appropriation, Act of 1935.

One of the major objectives of the N. Y. A. was to provide funds for the part-time employment of needy school students chiefly from relief families. Students between the ages of 16 and 25, whose applications have been approved by the State W. P. A. Administrator are eligible to receive for services rendered the school, an amount not to exceed \$6.00 monthly from the N. Y. A.

The local School Department in cooperation with the Welfare Department and the Relief Administrator has taken the necessary steps to have the local High School participate in the High School Student Aid Program. Already the applications of five boys and one girl have received the approval of the State Administrator. Students desiring to avail themselves of this assistance should consult the Principal of the High School.

F. E. R. A. Nursery Schools

The Nursery classes that were started in 1933 were continued through June 27th, 1935 when they were closed by orders from the State Administrator. During the year 74 children of pre-school age were privileged to attend these classes in the Thayer School Building where a small hall room was made available by the local School Department and the two teachers paid by the Federal Emergency Relief Administration. When inquiry was made in regard to continuing the classes the past fall it was learned that the Works Progress Administration had taken over the Emergency Educational Program and because of the transfer delay was necessary. The new set of regulations in regard to Emergency Nursery School Education that later were received so limited the number of children that were eligible to attend and the way the classes were to be conducted, that it was considered unwise to continue the nursery classes. About this time the fire at the Ray School Building made it necessary to use the room formerly used for the Nursery classes for regular school work.

American Education Week

Several hundred parents and citizens visited the schools during the week and thus came in closer touch with the work and spirit of our schools. This year special efforts were made to give the parents an opportunity to see, not only the regular work of the children, but also the pupils perform in special programs put on for their benefit by the school community.

Course of Study

Committees of Teachers have been revising the courses of study in the first eight grades during the past two years. A year ago last June the outlines for Grades I-IV inclusive that were made in 1921 and revised in 1925 were again revised by a committee of teachers in the first four grades. Last June the outlines in the next four grades were considered and revised for Grades V and VI and the Junior High School.

In revising the outlines, emphasis was placed to develop in the children qualities of thrift, consideration for others, politeness, and safety and health habits, as well as to give the children a command of the tool subjects such as reading and arithmetic.

A Civic Course has been developed in the High School to take care of the large number who are now coming to school and who are not adapted or benefited much by the usual academic work. In this course the emphasis is placed upon developing those qualities and attitudes of mind in the pupils that will make for a better understanding of our social and economic problems.

For the past few years the number of pupils in High School electing Latin and French is less than it was formerly. The trend seems to be toward the sciences, social and commercial studies, industrial arts and home-making. In order to meet the demand in Industrial Arts, I think it would be advisable to add more equipment to our shop so that metal work, household mechanics, and electrical work could be included along with wood-working and mechanical drawing. This could be done at an expense not to exceed \$200.00 and would greatly increase the usefulness of the shop work to an ever increasing number of pupils.

In the Homemaking Department there is a room for cooking and another for sewing. By having another teacher in this department, the rooms could be used to better advantage and double the number of girls could take homemaking courses than is now possible where only one teacher is employed.

Italian

At the request of a Committee from a local Italian organization, a course in the study of the Italian language was introduced among the elective subjects offered in High School. About seventy pupils elected the course, making two divisions necessary. The large number of pupils taking the course and the interest shown will make it necessary to offer a course in second year Italian for another year.

School Music

For several years the vocal music of the schools has been conducted under the direction of the Music Supervisor who devotes three days a week to this work. The Supervisor also directs the instrumental music in our Junior High School where there is a good size orchestra. In the High School the Orchestra is under the direction of Mr. Ames and both Principal Patty and Mr. Ames assist in directing the Band. Both the Orchestra and Band take a prominent part in assembly exercises and in the social activities of the school.

Mrs. Riley's report which follows gives further information in regard to our school music.

"To further create love and appreciation of good music in the hearts of the children of our Schools, your Music Supervisor has installed the accepted Boston University School Music Method.

"Appreciation attained through ability to read from the printed page is a reasoning taught by a pedagogical arrangement of the principle of time and tune. This method is enthusiastically received by the children and good progress is being made. It has also met with the approval of the teachers and with their splendid co-operation there is an attendant improvement in music in all the grades of our schools.

"In our first grade the children are taught to sing by rote the first part of the year. As the rote song is the child's first impression of music, it is highly important that the music be of the best quality. Folk Songs of various nations form a background for all our music today. It is logical that they constitute a liberal part of our rote songs. The last part of the year they are taught a little of the technical side of music.

"In the second grade they are taught to read from the printed page with good tone quality. A good deal of individual work is demanded as individual singing fosters quick thinking under difficult circumstances. It helps

self-reliance and independence. Proficiency of the child cannot be judged by the results of mass work, therefore it is very important that individual work be done in music.

"At the Junior High School we have three and four part music that is showing marked success. There is also a fine orchestra consisting of ten violins, two saxophones, three cornets, drums, and piano.

"In the High School we have a girls' glee club.

"Music offers an opportunity for each child to find himself emotionally and socially, and also enables him to make finer life adjustments."

School Art

Drawing and art work is given from the first grade through the High School under the direction of the Supervisor of Art who devotes four days a week to this work. The first five grades are visited by the Supervisor every two weeks, and the sixth grade every week. On each visit the Supervisor gives a demonstration lesson and plans the work that is to be done by the room teacher until her next visit. In the Junior High School the Supervisor conducts the classroom art work for all girls once a week, devoting a full day to these classes. In the High School, art work is elective. Two classes meet twice a week for this work under the Supervisor. The following excerpts taken from the report of the Supervisor of Art gives further information in regard to the work:

"In each grade part of the time is devoted to nature drawing, part to toy or object drawing, part to the printing and outlines of letters, part to the construction of simple toys or furniture, and part to design and color.

"In the sixth grade most of the work is correlated with the history of ancient Egypt, Greece, Rome, and the Middle Ages, with much supplementary work in color.

"In all the grades and Junior High School, many articles were made and sent to the Soldiers' and Children's Hospitals at Christmas time, such as greeting cards, tally cards, boxes and decorated napkins. This work was correlated with that of the Junior Red Cross.

"In the High School a class in the History and Appreciation of Art has been started. We have made one museum trip and in the spring hope to make two more."

Salaries

The teachers greatly appreciated the recommendation of the Finance Committee and the action of the voters at the last annual town meeting in making it possible for the School Committee to restore the six percent contribution made by the teachers in 1932. The teachers who are still on the payroll in 1935 had the exact amount of the contribution made in 1932 restored to their salaries during the past year. There are still many adjustments that should be made in the salaries paid our teachers in order that all may be justly remunerated for their services. The annual increments that formerly were given to teachers who had not reached the maximum and who are giving efficient service, I think should be restored as well as the bonus formerly given to teachers for professional improvement.

The teacher is the backbone of the school. Every person who is employed as a teacher is morally obligated to strive to improve his qualifications and standards of teaching so that he can render greater service to the children of the community. Unless an adequate salary schedule is maintained, the efficiency of instruction cannot long be assured.

In view of the greatly improved financial condition of the town and of the employment situation, it is earnestly hoped that a liberal appropriation be granted the schools this year.

The rapid changes that are taking place in our industrial, economic and social life in recent years demand

an education different from that which was considered adequate a few decades ago when the social order was comparatively static. Our youth must be prepared continually to readjust their ideas and habits of life to meet the social changes. They must not only possess the necessary knowledge and skills common to their generation, but also must be trained to adapt them to new conditions.

We hope that our schools are meeting their responsibility to the youth of the community and are inspiring them with high ideals of public service and citizenship. Whatever success we may be having is due to the wholehearted cooperation of pupils, parents, teachers, and the School Committee, for which I am very grateful.

Respectfully submitted,

ARTHUR W. HALE.

**REPORT OF THE PRINCIPAL OF THE
HIGH SCHOOL
TO THE SUPERINTENDENT OF SCHOOLS**

Dear Sir: .

I am submitting the following report concerning the High School for the past school year.

Crowded Conditions

The crowded conditions in the classrooms of last June were relieved in September by the use of four additional rooms in the Ray School. This plan, aside from causing pupils to pass from one building to another in stormy weather and making shorter recitations, remedied most of our housing problems until the fire which made the Ray School unfit for use.

Since that time we have been again faced with the problem of furnishing class room for one hundred eleven recitations each day with no adequate place. By the use of all available space in the High School and the use of one large room at the Thayer Building and one room at the Horace Mann School we are caring for most of our classes.

In the classes that recite in the Thayer Building, two pupils sit at each desk, and pupils who use the cooking room have no desks. Also twenty-four pupils are seated in the manual training shop with folding chairs and the carpentry benches for desks. In the sewing classes more than forty pupils have recitation with desks for only twenty-four. The program that we are now carrying out has of necessity eliminated the cooking classes until such time as the academic students can have room for their work in some other place.

While we have been working under poor physical conditions, the teachers have been pleased with the co-operation that both parents and pupils have given in carrying on school under such difficult circumstances. Class work has been carried on very well and the number of failing pupils is not so great now as it was at the same date last year.

Both pupils and teachers are appreciative of the efforts of the Superintendent and School Committee to relieve the congestion in the High School, but are looking forward to the time when we can be working under normal school conditions.

Standing of the School

We are rated as a Class A High School by the Massachusetts Department of Education, which gives our graduates entrance without examination to all State colleges and scientific schools.

We have accredited standing with the New England College Entrance Certificate Board which comprises eleven of the prominent New England colleges. Harvard,

Dartmouth, Holy Cross, University of Vermont; Rensselaer Polytechnic Institute, Worcester Polytechnic and many other colleges not affiliated with any accrediting group of colleges have given Franklin High School the certificate privilege.

We have not had any pupils failing their college work who have been certified from this school, for which much credit is due the teachers of the college subjects.

We have our graduates attending the following named colleges: Harvard, Radcliffe, Smith, Boston University, Massachusetts State College, Tufts, Massachusetts Institute of Technology, Framingham Teachers College, Brown University, Worcester Polytechnic and many business colleges and technical and trade schools.

Athletic Activities

Football has been a very popular sport this past year, with an unusually large number of boys engaging in the game. Our team representing the School has been quite successful and has reflected much credit on their coach, Mr. Colbert, as well as on themselves for developing a desire for good sportsmanship.

Basketball has started with much enthusiasm on the part of players and students. We have organized a basketball league among the Freshmen boys, hoping to give more boys a playing knowledge of the game as well as to develop material for competing teams.

As many as seventy girls have reported for girls' basketball, and a league is being carried on by Miss Beane, the girls' coach.

We have a hockey team which is starting this year's schedule under the direction of Mr. Doherty, their coach, and they have very industriously built a skating rink over the running track at the rear of the High School.

Baseball will be played in season this year. Our team will play a schedule with teams from the neighboring high schools.

Musical Organizations

The High School Band and Orchestra, under the direction of Mr. Ames, are doing very good work. The Band has played for all of the home football games, and for the Walpole game away from home. The Orchestra has played for all school assemblies and for various social events about town.

In addition to the regular Band, we have a Freshman Band that is rehearsing preparatory to joining the senior Band for the spring activities.

Our Girls' Glee Club is progressing well under the direction of Mrs. Riley and will appear at future school assemblies.

Clubs

There are several thriving clubs in the High School which are the outgrowth of very interesting class work in some particular subjects. Chief among these and particularly worthy of mention are the Commercial Club of the Shorthand Department and the Aeroplane Club of the Manual Training Department.

School Paper

Our school paper, "The Blue and White," is again, this year, published by the pupils of the various English classes. It is printed by the Commercial students and is sold about the school for a small amount necessary to pay for the paper and material used in the publishing. It has proved very popular and has afforded excellent training for pupils interested in that kind of work.

The High School Library

Before September 1935 the library books belonging to the High School have been kept in the study hall or in those rooms having most need of them. In September on account of the growth of the school and the necessity for easy access to these books, a library was organized, and all books were placed in one room with proper equipment and regular hours established for their use. This

arrangement has proved very beneficial to both teachers in assigning lessons and students in preparing them.

The plan has been retarded by the necessity for using the room as a home room and for class recitations. Under the present arrangement, library hours are:

8:00 to 8:30 A.M.

1st — 3rd — 7th periods of the day.

2:40 to 3:40 P.M. each school day.

Enrollment

This year has seen our largest enrollment as well as the largest number of pupils leaving school from September to the Christmas vacation. Of these pupils leaving, the majority have left on account of finding employment. It is not probable that the number leaving school from this time until June will in any noticeable way relieve the crowded conditions, as most of our pupils are under sixteen years of age.

Bellingham Pupils

Many school patrons have asked me if, when Bellingham builds a high school building, will there be relief from the crowded conditions. I think that that question might be answered here as a part of my report. We have one hundred eleven classes reciting each school day, and there are eighty-five pupils from Bellingham scattered about in all of these classes. These classes range in size from twenty to fifty pupils and if Bellingham pupils were removed it would not eliminate any class but would make some divisions smaller by a few pupils. The same expense would be necessary for operating the High School, except for books and supplies used by other than Franklin pupils which would be a small fraction of the amount of tuition received from Bellingham.

Special Help for Pupils

All teachers are in their home rooms to give help to the pupils of their classes, on four afternoons of the week. The fifth afternoon they may be found in the session hall. Each pupil is given home work each day

and has opportunity to receive help with this work in all academic subjects. Many pupils take advantage of this privilege. The teachers welcome all patrons of the school who will come to school concerning the marks and progress of their children.

Report Cards

Report Cards are sent home at the close of each six weeks period of school, and are to be returned with the parent's signature informing the teacher that the home has been notified of the pupil's standing, and is familiar with his progress. The mid-year report cards will be sent home the first week in February.

Suggested Changes for Next Year

Our college preparatory courses have been growing smaller each year since the depression has affected the people in general, and the Manual Training and Business Courses have been becoming more popular. In another year it will be necessary to organize more divisions in these crowded courses which may necessitate another teacher as all teachers are teaching every period of the day. I believe that additional classes in Sewing for the girls and classes in Metal Work and Printing for the boys would be very well received and also beneficial.

The interest in the new Italian classes which were organized last September, will make the offering of a second year in that language necessary next year. Many pupils have asked for an advanced class in the subject.

More Periods Needed in the School Day

The addition of new classes will necessitate more periods in the school day which can be secured only by one of two ways: first, by making our program into a seven period day and instead of having fifty minute periods for recitation, change them to forty minutes; second, by making our school day extend until 3:30 o'clock instead of 2:40, the present time for closing school in the afternoon.

Respectfully submitted,

ALBERT T. PATTY.

**REPORT OF THE PRINCIPAL OF THE
JUNIOR HIGH SCHOOL
TO THE SUPERINTENDENT OF SCHOOLS**

Dear Sir :

The members of the Junior High School have worked very earnestly this year for the Junior Red Cross. Our clubs, which meet every alternate Wednesday morning, have contributed a great deal to this work. At Christmas time, a group of Junior High School pupils visited the town infirmary, presenting a Christmas program and gifts to the members there. A group of boys also visited Commander Newell, presenting him with a Christmas basket. The Junior High School pupils helped also with the gifts which were sent to the patients at the Veterans' Hospital at Rutland.

The Junior High School is in a very overcrowded condition this year due to the fact that the third and fourth grades from the Horace Mann School had to be placed here. Facilities for carrying on the regular Junior High School work have been hampered. Partitions have to be set up between the two sections of our former assembly hall and these sections used as classrooms. The seats in these two rooms are movable chairs and are very inconvenient for classroom work. The partitions are not sound-proof and when classes meet in both rooms, which is necessary most of the time, every word can be heard from one room to the other. Classes cannot be carried on successfully under conditions such as these. There are no closets in these two rooms which were formerly the assembly hall and the two home-room teachers have no place in which to keep supplies.

The necessity of using our assembly hall for classrooms prohibits all assemblies. Each home room class now carries on a home room activity period every alter-

nate Wednesday morning, the period formerly given over to assemblies. Each room presents its own program, consisting of plays, debates, musical selections and class discussions. I have no opportunity now to address the school as a whole for necessary announcements and rules. Children of the Junior High School age need an opportunity to assemble together and to present dramatic and musical programs before a large audience.

I think it would be advisable to have a wooden floor in the Domestic Science room, in place of the cement floor which is very damp and cold.

Respectfully submitted,

J. ETTA McCABE.

REPORT OF THE SCHOOL PHYSICIAN TO THE SUPERINTENDENT OF SCHOOLS

Dear Sir:

I herewith submit my report as School Physician for the year ending December 31, 1935, which completes 29 years in that capacity.

Total number examined	1,648
-----------------------	-------

The following defects were noted
and notices sent to parents:

Diseased or enlarged tonsils	108
Defective teeth	187
Goiter	4
Defective vision	8
Defective ears	3
Anemia	5
Not vaccinated	13
Adenoids	5
Pediculosis	14

Acne	5
Tendency to Tuberculosis	10
Very poorly nourished	3
Examined at the pre-school clinic	56

One common defect especially noted in the older pupils was poor posture. The number is not included in the above tabulation. Correction is, or should be, the work of the physical director.

Early in December Dr. Fredrica Moore, Consultant in School Hygiene in the State Department of Public Health, made a survey of the health work in the schools of Franklin, and I incorporate some of the more important findings and suggestions in this report.

Suggestions on School Health Service in Franklin

Fredrica Moore, M.D.

I. Medical Service

- A. "The school physician in Franklin is unusually devoted to the service and is giving much more time than he is paid for. Roughly it appears that he is being paid for about one-half of the work he does. It is not good policy for any community to expect any one citizen, however generous, to contribute so largely.
- B. The practice of undressing the children for examination has never been followed out in Franklin, largely a matter of policy. The last few years the burden of the pre-school clinic and the nursery school has been added to the Doctor's work. It is suggested:
 1. "The pre-school clinic and nursery school should be considered as part of the school physician's program and should be reported in his annual report.

2. "Until adequate appropriation can be made for school medical work, and by adequate is meant payment at least on the basis of \$.50 per child, the following plan is suggested to lighten the doctor's burden.

"It is suggested that a careful health examination be made of the nursery school children, the pre-school clinic children, and the first, fourth, eighth and eleventh grades, with the little children undressed to the waist, and the secondary school children partially undressed, but protected with a cover. The shoes should be removed.

"The children other than those mentioned above might receive a hasty check for correction of defects. The intention of the law is that all school children shall be examined as thoroughly as the selected group mentioned above, but until financial conditions in Franklin are such that the school physician can be adequately paid, the above seems to be the best compromise."

II. School Lunch

"It seems a pity that it was necessary to abandon the midday lunches. In a town where economic conditions are poor, the children who stay at school, more than ever need a warm dish. It is suggested that a nutritionist from this Department make a study of the situation, to see if with her expert experience she can make any suggestions which will help in solving the problem."

There is another requirement in the law covering the work of the school physician, viz: that all children absent from school on account of illness or unknown cause shall be referred to the school physician for examination and report as to their fitness to return to school. This adds materially to the work of the school physician.

The general health of the children seems to be excellent, much of which I believe is due to the work of the health department of the schools. That the public may have a realization of the work done, I refer them to the report of the school nurse. They will find food for thought in her report.

Respectfully submitted,

SOLON ABBOTT, M.D.

REPORT OF THE SCHOOL NURSE TO THE SUPERINTENDENT OF SCHOOLS

Dear Sir:

The following is my report as School Nurse for the year 1935:

It was indeed a busy year, as the statistics show. In the early Spring we had the annual check-up by the Chadwick Clinic at which 32 old and 17 new cases were X-rayed and examined.

As the Chadwick Clinic has ceased to function on new cases, the County has formed a clinic, which will carry on these Tuberculosis tests and X-rays in the 7th, 9th, and 11th grades every year.

Last spring the County Clinic tested and X-rayed 141 of the pupils from these grades.

The teachers sponsored a bridge party in April that netted \$76.00 which was added to \$35.00 collected from various organizations in the town, and used to treat 96 pupils at the Dental Clinic. The children treated pay \$.50 an operation, and the \$40.00 collected in this manner will be used to continue the dental clinic in 1936.

Christmas seal money was used to pay for milk in the schools for 64 undernourished children over a period of 6 weeks.

The Nursing Association contributed \$25.00 to the milk fund which will be used in 1936.

Early in the Fall there were 4 cases of Infantile Paralysis in Franklin, one a high school boy, the other three pre-school children. At the request of the Board of Health and the School Committee the school nurse called on every absentee for a period of one month, to help check the spread of this dreaded disease.

In closing I wish to thank the teachers, parents, organizations, school doctor, and the Board of Health for their cooperation during the year.
